EO-9722 PUBLIC NOTICE

Announcing the Availability of and Environmental Assessment

US DEPARTMENT OF AGRICULTURE
Rural Utility Service (RUS)

The City of Pilot Rock: Notice of Availability of an Environmental Assessment

AGENCY: Rural Utility Service, USDA

ACTION: Notice of Availability of an Environmental Assessment

SUMMARY: Notice is hereby given that the Rural Utility Service, as required by the National Environmental Policy Act, is issuing and environmental assessment (EA) in connection with possible impacts related to a project proposed by the City of Pilot Rock (City) of Pilot Rock, Oregon. The proposal is for construction of a new wastewater treatment facility lagoon system. The City has submitted an application to Rural Utility Service for funding of the proposal.

FOR FURTHER INFORMATION CONTACT: Michael Bayer, State Environmental Coordinator at (503) 414-3368, 1220 SW 3rd Avenue, Suite 1801, Portland, Oregon 97204 michael.beyer@or.usda.gov.

SUPPLEMENTARY INFORMATION: The city of Pilot Rock's proposed project is to abandon the existing wastewater treatment facility lagoon system adjacent to Birch Creek. Due to the high likelihood the existing lagoons are hydraulically connected to Birch Creek, the city is anticipating abandoning the existing wastewater facility treatment lagoon and constructing a new evaporative wastewater facility on city-owned property west of the existing lagoons.

Up-Date (July 26, 2018):
• Additional 2,200 linear-feet of sewer forcemain along Pilot Rock-Hoeft Road south of Circle Road.

Anderson Perry & Associates, an environmental consultant, prepared an environmental assessment for RUS that describes the project, assesses the proposed project's environmental impacts, and summarizes as applicable any mitigation measures used to minimize environmental effects. RUS has conducted an independent evaluation of the environmental assessment and believes that it accurately assesses the impacts of the proposed project. No significant impacts are expected as a result of the construction of the project.

To file a complaint of discrimination, complete the USDA Program Discrimination Complaint Form, AD-3027, found online at http://www.ascr.usda.gov/complaint_filing_cust.html and at any USDA office or write a letter addressed to USDA and provide in the letter all of the information requested in the form. To request a copy of the complaint form, call (866) 632-9992. Submit your completed form or letter to USDA by mail at U.S. Department of Agriculture, Office of the Assistant Secretary for Civil Rights, 1400 Independence Avenue, SW, Washington, DC 20250-9410; by fax at (202) 690-7442; or by email at program.intake@usda.gov.

Questions and comments should be sent to RUS at the address provided. RUS will accept questions and comments on the environmental assessment for 14 days from the date of publication of this notice. Any final action by RUS related to the proposed project will be subject to, and contingent upon, compliance with all relevant Federal environmental laws and regulations and completion of environmental review procedures as prescribed by 7 CFR Part 1970, Environmental Policies and Procedures. A general location map of the proposal is shown below.
