

# Suffering from joint & back PAIN?

BACK | NECK | SHOULDERS | HIPS | KNEES | ANKLES | WRISTS | HANDS

Experience healing with regenerative stem cell therapy at Stem Cell Centers!

As a national leader in stem cell therapy, we have successfully treated tens of thousands of patients suffering from chronic pain and other conditions.

- ARTHRITIS
- TENDINITIS
- BURSITIS
- HERNIATED/BULGING DISC: slipped, bulging, and herniated discs
- SPINAL STENOSIS
- KNEE, HIP or DISC DEGENERATION

Our network of top medical providers utilizes stem cells that are ethically and safely donated.

Our advanced treatment protocols include rigorous testing and processing of the stem cells at an FDA approved biologic lab.

**Knee Pain**

*"Just that night when I went home was the first time, I would say in a year that I had a perfect night's sleep. I can't begin to tell you how great this has been." ~ Irina*

**Knee Pain**

*"My pain went down from a ten to a two. I got relief in that first week." ~ Donna*  
*"People here treat you just like family" ~ Steve*

**Hip Pain**

*"My wife and I were very impressed with the results from the stem cell injections. I would definitely do it over again if I ever need to." ~ James*

**Back, Neck, & Shoulders**

*"I've been so pleased with the results." ~ Bill*  
*"I would definitely recommend it for anybody to try before any kind of surgery." ~ Betty*

Presented by:

\*Stem cell therapy is still considered experimental by the FDA.
