HOROSCOPES

Trouble and the Scorpio Moon

Trouble is a normal part of daily life.
Without it, our stories would be very
boring indeed. Many expedient,
capable people will move quickly
through trouble and onto fixing the
problem -- not the correct order!
Stop and give yourself care and
comfort first. Skipping steps under
the Scorpio moon is not advised.
Shortcuts will actually take longer.

ARIES (March 21-April 19). You'll
encourage a loved one to give you
frequent feedback. You don't want
to be in competition with your love,
and you'll shy away from situations
in which there will be a clear winner
and loser.

TAURUS (April 20-May 20). Your
conversational choices will make a
difference. This is a matter of des-
tiny. Choose topics that are likely
to lead to enjoyment, optimism and
happiness. This is no time to stir up
controversy.

GEMINI (May 21-June 21). You have
more in common with an interesting
stranger than you do with many of
the people in your own family. So go
on and strike up a conversation. See
what there is to know about others.

CANCER (June 22-July 22). You're
in the running for an important role.
Your previous success qualifies you
for the job, but it will be your charm
and your excellent listening skills
that get you the position.

LEO (July 23-Aug. 22). You love to
give: You're a giver! And you ex-
pect nothing in return -- well, almost
nothing. You do like knowing that
your contribution made a difference.
So a smile and a report back later
will be awfully nice.

VIRGO (Aug. 23-Sept. 22). Your
cosmic gift will be strength, stamina
and energy to burn. That's a mighty
gift, though it comes with a respon-
sibility. Where should you apply
it? Bonus: Exciting people will be
drawn in by your vitality.

LIBRA (Sept. 23-Oct. 23). There
will be some frustration in the way
events unfold, but don't be discour-
aged. It's bound to happen with
smart, quick people like you who
might prefer to have life go at their
pace. Life has its own pace, though.

SCORPIO (Oct. 24-Nov. 21). Listen
to your critics with an open mind.
Maybe they don't know the prop-
er, kinder or ideal way to phrase
things, but there will be something
valuable in their words nonetheless
-- something that can give you an
advantage.

SAGITTARIUS (Nov. 22-Dec. 21).
You didn't make the impression you
wanted to make on someone. Good
news: Now you will get another
chance at it. Present your best self
and you'll become your best self.

CAPRICORN (Dec. 22-Jan. 19). It's
said that there's a price for every gift
and all advice. Indeed, this is often
true. But the cosmic forces can be
kind in this regard, as they will be
today, naming a price in the realm
of what you're more than prepared
to pay.

AQUARIUS (Jan. 20-Feb. 18). May-
be you want people to like you, but
you care more that they respect
you. It's not because this is what you
need; rather, it's for the good of all.

PISCES (Feb. 19-March 20). The
social secret is very simple, and it's
a one-size-fits-all maxim. All people
care about is how you make them
feel. That's all. If they feel powerful,
happy and significant around you,
they will come back for more.

TODAY'S BIRTHDAY
(Aug. 16). The solar return shows
you surrounded by people who love
and support you, as well as those
who challenge and defy you. You
would be hard-pressed to say which
is better, as the first category will
give you comfort and the second
category will make you great, which
in turn gives you a way to help many.
Virgo and Sagittarius adore you.
Your lucky numbers are: 9, 20, 24,
48 and 12.
