

FIFTY BUCKS?! I REMEMBER SELLING IT FOR TWENTY BUCKS!

IS THAT A FACT?

YARD SALE

RECORDS

A cartoon illustration of two men at a yard sale. The man on the left, wearing an orange polo shirt and tan shorts, has his hands on his hips and asks, "WHERE DID YOU GET IT?" in a speech bubble. He is pointing towards a blue lawnmower. The man on the right, wearing a yellow polo shirt and blue pants, is standing next to the same lawnmower and replies, "AT A YARD SALE A WHILE BACK" in a speech bubble. A light blue dog is standing between them. In the background, there are various items for sale, including a blue cooler, a yellow lawnmower, and a box labeled "RECORDS". A sign in the background partially reads "YARD SALE".

THE LANDFILL?!

WELL, NOW IT'S FIFTY BUCKS! AND IF I CAN'T SELL IT, I'M GOING TO HAUL IT DOWN TO THE LANDFILL AND DUMP IT

I really don't understand how your horn works at all.

The chalk spell will wear off in an hour, and then we can use it to roast marshmallows again.
