URSULA

GRADE • 2013 • PAINT BAY PAINT MARE

Note: Ursula has been used on the ranch for just about everything. She has been used gathering, sorting, branding, and doctoring outside. She is good to catch and shoe, and is an easy go to horse. She would be best suited for an experienced rider only because when she has been laid off, she can saddle up tight. This cute mare is in the bridle, and will be exposed to heeling out of the box by sale time. Take a look at this one! **Pen 85**
