CASINO

GRADE • 2007 • QH DUN GELDING

Consignor: CS Performance Horses, Kalispell, MO

Note: Casino has been our go to gelding. We have saddled him up on the coldest of mornings, taken him in the snow and pulled the tube. He has no buck and is good for any level or rider. We started shooting off of him and he handles it like a champ. I have sorted cattle, drug calves at brandings, trail rode him and just about anything else you can do horseback. Casino is the most loving and caring of any horse. He is extra gentle and calm. He is a true one of a kind horse with no issues. Cinch meets you at the gate everyday and loves attention. He is a gentleman to be around, load and trailer. He stands tied, baths, and clips. Cinch would also be great for 4-H shows. Sound. Safe. Sane. Current on deworming and shoes. 406-897-4717 <https://www.youtube.com/watch?v=iYu-KxpsXX8&feature=youtu.be> **Pen 29**
