Consignor: Cass Gebbers, Brewster, WA

Note: "Two Step" is a 15 year old, 15.2 hands solid bay gelding. He is a finished head horse with gas plus that would fit a #5 and higher roper. He's strong on a rope, and we have roped bulls on him in the pasture. We've been using him on the ranch for the past two years, and he travels well in mountainous country. We've done some sorting on him, and he does well with that. We simply have too many horses to ride. He's in the prime of his life and has a lot of go to him. Completely sound with confirmation and muscle to kill for. **Pen 96**

On the trail in mountainous terrain, he crosses water, bridges, logs and any other obstacle with ease. He loads and stands quiet in the trailer. He is guaranteed sound and healthy. SLIM JIM

GRADE • 2011 • QH/THOROUGHBRED RED ROAN GELDING

Consignor: Monique Bentz, Drewsey, OR

Note: Slim Jim is a large, kind-hearted horse that has been doing ranch work in the rocks and hills for the last 2 years. Been used in a branding pen. Not particularly athletic or speedy but he learns fast and tries hard. Started in the bridle. Not much bottom for long days and he will walk the fence when in a pen by himself. Good ground manners, and seems to be the same whether you ride him regularly or turn him out for a while. **Pen 74**
