Pendleton ag scientist receives state honor

East Oregonian

Richard Smiley, a Pendleton ag scientist who has worked for more healthy, productive wheat over 30 years, has received statewide recognition.

Smiley, 75, recently saw his name added to the Diamond Pioneer Agricultural Career Achievement Registry at Oregon State University for exceptional service to agriculture. He was superintendent of the OSU Columbia Basin Agricultural Research Center, north of Pendleton, from 1985 to 2000 and professor of plant pathology at the center from 1985 to 2015, when he retired. He

Smiley

came to Oregon from Cornell College in New York. Smiley's nomination to the Diamond Registry said he made pioneering contributions to combating eight wheat diseases and is considered the American expert on three of them. He is credited with producing 380 technical papers for scientists worldwide and 200 more for ag extension to growers and commercial field men.

He has been active in many ag research projects across the country and overseas — editor of the compendium of wheat diseases, invited to review university research programs in Florida, Idaho and Texas, and has

done collaborative research with scientists in Turkey, Mexico, France, Syria, China, Iran and Algeria. During Smiley's work at the Columbia Basin Ag Research Center, the payroll rose from 9 FTE to 17.2 staff members, and upgrades were made to vehicles, farm equipment, lab equipment and buildings at both Pendleton and at the experiment station in Moro in Sherman County. Smiley led an effort to organize a committee to support the Ag Research Center in these times when research budgets are being cut. The group has started an endowment fund which holds about \$1 million. Smiley and his wife Marilyn have a daughter, Elizabeth.

Umatilla County Fair seeks court applicants

East Oregonian

The Umatilla County Fair is accepting applications for the 2019 court.

The program is open to students in ninth through 12th grade who reside in Umatilla County. Court members will learn leadership skills, responsibility and how to represent themselves as well as their county with dignity and pride.

The opportunity offers young people a chance to represent Umatilla County not only during fair week in August, but at parades and other functions throughout

Eastern Oregon and Washington in 2019. The Umatilla County Fair court program is a time-honored tradition and many of the fair court alumni are still involved with the fair in some aspect.

Fair court applications are due Friday, Oct. 26 by 4 p.m. at the fair office, located at the Eastern Oregon Trade and Event Center, 1705 E. Airport Road, Hermiston. Also, the application packet may be sent electronically via fair@umatillacounty.net. Those who choose to email the information are urged to make sure they receive confirmation from fair staff to

ensure receipt of the forms. Late or incomplete applications will not be considered. Fair staff will contact all accepted applicants to schedule interviews. Applications are available at the fair office and its website by visiting www.umatillacountyfair.net/fair-court. In addition, fair court applications are distributed via email to high schools throughout the county and the 4-H Extension office in Pendleton, as well as posted on Facebook. For more information, contact the fair office at 541-567-6121 or fair@umatillacounty.net.

Help available with Medicare enrollment

The annual open enrollment for Medicare began Monday, and Oregon's Senior Health Insurance Benefits Assistance Program is available to help. Medicare is health insurance for people 65 years or older or those who are younger that receive Social

Security Disability Income. Medicare covers many medical costs, including doctor visits, prescription medications and preventive care, such as mammograms, colonoscopies, diabetes treatment and blood pressure screenings. This year's Medicare annual enrollment runs Oct.

15 through Dec. 7. Any Medicare Advantage (MA) or prescription drug plan (Part D) changes must be made between these dates so that coverage begins without interruption on Jan. 1, 2019. Late enrollment may result in a lifetime of premium penalties.
