Wanting Square

Sometimes you can choose what
to want. More often your wants
choose you. Today's want may an-
nounce itself like a foreigner asking
to join you for lunch. It will then sit
at your table regardless of how you
answer. Mercury square Mars sug-
gests that the first step in accom-
modating a demanding desire is to
recognize that you didn't ask for it.

ARIES (March 21-April 19). On the
one hand you know what you must
do, and on the other you just don't
feel like it. And getting your feel-
ings aligned in the direction of your
goals isn't quite as easy as you'd
like, but if you can do this, you can
do anything.

TAURUS (April 20-May 20). Rela-
tionships should not be left unat-
tended for too long. They are like
gardens that, untended, will grow
in strange directions or not at all.
You care, so you'll put the time in to
make a thing beautiful.

GEMINI (May 21-June 21). It is
each person's responsibility to
fill up the emotional tank. Do you
know what you need? Today it's
physical exercise, professional
fulfillment and interesting hobbies
that will contribute most signifi-
cantly to your well-being.

CANCER (June 22-July 22). The
luckiest thing you can do today is to
go where you've never been. Don't
wait for someone you know to join
you. Take yourself. Something as
simple as breathing different air
will make a big difference to your
mood.

LEO (July 23-Aug. 22). Don't be
surprised if you get what you want-
ed and find out that it doesn't stop
the yearning. It's just a sign that it
wasn't what you wanted after all.
Strive to understand, in the deep-
est way, what you really need.

VIRGO (Aug. 23-Sept. 22). People
show and feel caring differently.
The closer these match up, the
happier the relationship will be.
Chances are, someone is caring
for you in ways you don't recognize
as care.

LIBRA (Sept. 23-Oct. 23). The out-
side world will feel like a dream. If
this doesn't suit your sensibility,
turn to your inside world which
is where you'll feel most awake.
There, discovery awaits you.

SCORPIO (Oct. 24-Nov. 21). It
would be nice to wake up feeling
full of confidence, but it doesn't al-
ways work that way. For instance,
today it works like this: Someone
believes in you and then you start
believing in yourself more, too.

SAGITTARIUS (Nov. 22-Dec. 21).
People will inspire you with their
stories and maybe you'll even start
a program based on the inspira-
tion. Know that things will happen
differently for you because every
person's journey is different. Just
focus on yours.

CAPRICORN (Dec. 22-Jan. 19). It
will be lucky to stimulate your mind
with challenges not found at home.
You don't know what exactly these
challenges will be, and you don't
have to seek them either. Just go
out into the world and they'll be
there for you.

AQUARIUS (Jan. 20-Feb. 18). You're
due an apology. Even though many of the mistakes that
were made were unintentional, you
still feel a deficit -- like something
has to be made right. Until this
happens, there's a sense of being
incomplete.

PISCES (Feb. 19-March 20). When
you see it, you take pleasure in the
happiness of others. You prefer to
do this in person, as even the pret-
tiest picture on social media can be
secretly unhappy. You want to see
the joy for yourself.

TODAY'S BIRTHDAY (Oct. 19). The
adventures will have higher stakes
and bigger payoffs. It's because
you've established a certain basis
of trust between you and yours...
and more importantly between
you and you. Other delights of the
solar return will include the sweet
revenge of success, a moment of
poetic justice and a fun purchase.
Gemini and Cancer adore you.
Your lucky numbers are: 6, 30, 2,
22 and 28.
