**Donald Gene 'Donn' Walls**

Hermiston

April 1, 1939 - November 16, 2018

Donald Gene "Donn" Walls passed peacefully November 16, 2018. He was born April 1, 1939, in La Grande, Oregon. His parents were Elbert and Eleanor Walls.

Donn started his education in Hermiston when the family moved here during the war, his father working on the construction of the Umatilla Ordnance Depot. Gasoline was rationed and the commute back and forth to La Grande became a hardship. Donn's parents were forever exchanging sugar ration stamps for gasoline ration stamps in order to commute. His parents purchased 40 acres from Mr. Cooney around 1945 and built a home there that remains in the family.

Donn attended Umatilla schools and graduated from UHS in 1957. He went on to Oregon State University and graduated from there four years later with a bachelor's in animal science. Donn worked for Pfizer for many years after he graduated from OSU and lived in Arizona he indulged in his love for Arabian horses, raising them and showing them.

Donn remained active with the Umatilla High School Alumni Association and served as an officer and board member for many years. UHSAA is a 501(c)(3) corporation whose main purpose is awarding scholarships to students desiring higher education. Donn has repeatedly mentioned that a \$50 scholarship from Union Pacific Railroad was the incentive he needed to put himself through four years of college.

When Donn attended OSU, he rented living space where he worked at the college greenhouse. He loved working with the beautiful plants and flowers, and he created an aviary with many varieties of birds. He was an "artist in action" and created a paradise-like atmosphere. His experience while living in the college greenhouse led him to own and operate a florist shop and an additional tea house and gift shop in Danville, California.

He sold the two shops in California and moved back to Hermiston in 1988. He wanted to spend time with his mother during her remaining years.

Donn had a passion for real estate so he attended the classes, obtaining realtor

status, and went to work for Universal ERA Realty. An opportunity arose for him to purchase his own real estate

company, so he became a Century 21 office. Donn received many awards over the years, from Century 21 Producer 2005, to president-elect of our local real estate board in 2002, then president of the board in 2003, and Realtor of the Year in 2008. Donn's genuine desire to assist clients with their real estate needs became so well

known; Donn no longer needed national advertising, so he became an independent Hermiston Realty. His long-time friend Travis Rock manages Hermiston Property Management, and his staff and designated broker Sandy Allen will continue to fulfill Donn's client's needs within Hermiston Realty.

Donn was an exchange student to British Honduras while in college and he also served in the National Guard. Donn was an avid supporter of promotions and fund-raising events that benefited the community. He was president of Hermiston Kiwanis and looked forward to his projects planned for the year.

Donn is survived by sister Betty Nobles (Clyde) of Umatilla; brother Gary Walls (Kathy) of Ione; nieces Kimberly Nobles of Hermiston, Kristi Nobles-Fisher (Steve) of Bellevue, Wash., and Senie Harris (Bobby) of Irrigon; many grand-nieces and -nephews; and his long-time friend Travis Rock. Donn never married or had children of his own, but his compassion and love for his family and friends and their children regarded him as their "favorite uncle"!

Donn was preceded in death by his parents.

In lieu of flowers, contributions in Donn's memory may be made to UHS Alumni Association scholarship fund, P.O. Box 1144, Umatilla, OR 97882 or Kiwanis, P.O. Box 375, Hermiston, OR 97838.

A celebration of life service will be held on Monday, November 26, 2018, at 10:00 a.m. at Burns Mortuary chapel, Hermiston, Oregon.

**James Edward Murry III**

Pendleton

June 23, 1948 - November 19, 2018

James Edward "Jim" Murry III died November 19 at Kadlec Regional Medical Center in Richland, Washington, after putting up a valiant battle following a heart

attack.

Jim was born June 23, 1948, to James Edward Murry II and Martha Dammann Murry in Ottawa, Illinois. He graduated from Marquette High School in Ottawa, and then from St. Ambrose College in Davenport, Iowa. He was also a member of the Marine Reserves.

He made a career for himself as a quality assurance expert in the flour milling industry. He married Kathleen Ryan Murry and had two children. The family moved from Davenport, Iowa, to Chattanooga, Tennessee. After they were divorced, he married Terry Stutts Murry, and they had four children. In Chattanooga, he worked for Dixie Portland Flour Mills and began what became a secondary career and his true passion of coaching his children and their friends in baseball and soccer.

Jim, Terry and their children moved from Chattanooga to Pendleton in 1992, and he was the quality control manager at Pendleton Flour Mills until 2009. He left there and worked at mills in North Carolina and Utah until he retired.

In Pendleton, he coached Little League and Babe Ruth baseball, Pendleton Youth Basketball, and Pendleton Youth Soccer. He was also a FIFA soccer referee. His happiest memories are moments from the teams he coached and from elk hunting, which didn't

produce many elk, but did provide a chance for his children and his closest friends to bond together and share the wonders of the Elkhorn Mountains. He tied his own flies and was an avid fisherman and bird

hunter. The central focus of his life was his children and, in turn, his children's friends, whom he cherished with all his heart.

Preceding him in death are his grandparents, his parents, and his brother Ralph Murry. He is survived

by his wife, Terry Murry; brother, Kevin Murry of Ottawa, Illinois; his sister Margaret Murry Lockhart and her husband Bob of Sparland, Illinois; his sons Kevin Murry of Chattanooga, Tennessee, Jimmy Murry (IV) of Keizer, Oregon, and Brady Murry and Kitt Murry of Pendleton; and his daughters Suzy Murry Anthony and her husband Mike of Chattanooga, and Molly Murry and her partner Andrew Kelly of Washington, D.C.; and his grandchildren Addyson, Cade and Stella Murry, and Franklin and Clark Anthony, all of Chattanooga. In addition he is survived by three nieces, numerous cousins, his son-in-spirit Bryce Cooper of Seattle, and many boys and girls who are now all grown up, but still call him Coach.

At his request, there will be no funeral service. His family will gather at his favorite elk camp site this spring to scatter his ashes. In lieu of flowers, the family encourages people to either volunteer for or donate to a youth organization in his memory.

## PUBLIC SAFETY LOG

## TUESDAY

12:09 a.m. - Emergency services in Morrow County responded to a Heppner residence for a man who cut his neck with a knife. An ambulance rushed the victim to Pioneer Memorial Hospital, Heppner.

1:50 a.m. - Oregon State Police responded to the crash of a Ford pickup pulling a 30-foot long cargo trailer.

The wreck occurred on the westbound side of Interstate 84 near milepost 177 when the pickup's driver, a 56-year-old man from Wasilla, Alaska, tried to pass a semitrailer in foggy and icy conditions. The Ford and trailer entered the median and rolled. The pickup landed on the passenger side while the trailer flipped onto its top.

No one was injured, and the pickup driver told state police he believed the semi clipped his trailer. State police could not substantiate the claim because of the damage to the trailer.

5:50 a.m. - Oregon State Police responded to a one-vehicle crash on westbound side of Interstate 84 near milepost 222. A trooper found a white Ford Taurus, but no one was at the scene. He called the emergency department of St. Anthony Hospital, and staff told him no one came from a traffic crash. The crash remains under investigation.

6:27 a.m. - Icy roads from freezing fog contributed to crash No. 3 Tuesday morning. Oregon State Police reported a 23-year-old driver lost control of his Dodge pickup while heading east on the slick surface of Interstate 84 near milepost 193. The vehicle entered the median and rolled once, sustaining damage to the entire left side and right front quarter panel.

The driver said he felt pain, and an ambulance took him to Good Shepherd Medical Center, Hermiston, where medical staff treated and released him.

6:41 a.m. - Pendleton police rolled to a disturbance call at Pendleton Public Library, 502 S.W. Dorion Ave., but did not find anyone causing problems.

10:59 a.m. - Hermiston police took a report for assault on the 700 block of East Main Street.

11:08 a.m. - Pilot Rock police took a report for stalking.

11:48 a.m. - A caller reported a dog on Southeast Charity Loop, Stanfield, has a chain around its neck but is — again — outside its fence and could be in danger of strangling itself.

12:08 p.m. - A Milton-Freewater resident reported identify theft.

12:52 a.m. - A Hermiston resident told police he received eight messages on his home number from someone trying to gain access to his computer. The caller said he knew it was a scam and just wanted police to know about it.

6:38 p.m. - A Heppner resident on Northwest Gale Street reported someone entered his house again and stole some items. He asked for a deputy to contact him at home rather than on his cellphone because he did not want to pay for the call.

## WEDNESDAY

3:28 a.m. - The Irrigon Rural Fire Protection District and Morrow County Sheriff's Office responded to a call about a pile of leaves that may have been on fire at Short Road and Columbia Lane, Irrigon. The pile was smoldering when firefighters arrived, and they doused the leaves.

10:34 a.m. - An Irrigon resident on Columbia Lane reported someone took her dog to a local pet rescue, which gave it up for adoption. However, she also said the dog had a microchip for tracking, and the microchip company gave the pet rescue operation her name and phone number. The caller also said the pet rescue refused to discuss this with her and told her to get a lawyer.
