HOROSCOPES

By Holiday

THURSDAY, DECEMBER 6, 2018
The Conditions Inside Pandora's
Box

This new moon, with the change of
Mercury, is a bit like a mystery box.
The box has a door that unlocks
with a key, and the key is a single,
burning question that is private and
unique to each person. Before we
ask it, thus turning the key and
opening the door, there is perhaps
one more thing to consider. How
badly do we want to know?

ARIES (March 21-April 19). Tune
into the subtleties of your language.
Avoid using words that convey pes-
simism, cynicism or sarcasm. Ditch
the negativity, not because others
are listening, but because you are.

TAURUS (April 20-May 20). Any-
one not at the meeting gets talked
about. So go to the meeting. It will
show your solidarity with the group.
Maybe lower your expectations
first. It could get boring. Little will
be decided or learned. Go anyway.

GEMINI (May 21-June 21). It's one
thing to accept that you're human
and you've made mistakes and
quite another to actually love your
mistakes because they contributed
to who you are. Also, no one can (or
wants to) relate to seemingly flaw-
less people.

CANCER (June 22-July 22). Good
living is like good chocolate; there's
a little bitterness in there but not
too much. Acknowledge and ex-
plore your negative feelings (they
are part of the recipe, too), but don't
dwell there. Life is mostly sweet!

LEO (July 23-Aug. 22). You'll ad-
vise and be advised today. A good
thing to keep in mind is that no
single piece of advice fits every
person. Even if it were the sound-
est and best line of thought in the
entire world, it still wouldn't be right
for all.

VIRGO (Aug. 23-Sept. 22). Be-
cause you want to experience
more, you'll meet different sorts of
people and let them influence you,
all the while never losing sight of
who you are. You can do this be-
cause your roots grow deep.

LIBRA (Sept. 23-Oct. 23). No one
likes being in environments they
can't, at least to some extent, con-
trol. An environment has become
stifling. You may resent having to
be there. But you can influence this
place. Look for ways. There are un-
tried options.

SCORPIO (Oct. 24-Nov. 21). Un-
encumbered people move quickly.
Something is weighing you down.
Throw the baggage overboard. A
person without baggage is a per-
son who will soon be getting new
things.

SAGITTARIUS (Nov. 22-Dec. 21).
While there's nothing less funny
than a person trying too hard to be
funny, you appreciate the effort. In
this and other ways, people will try
to impress you. It's flattering.

CAPRICORN (Dec. 22-Jan. 19).
Each phase of the day has a gift.
Morning gives you your freshest
mind. Afternoon gives you a body
warmed up and ready for the hard-
est thing it has to do today. Night
gives you the need to give and re-
ceive for loving comfort.

AQUARIUS (Jan. 20-Feb. 18).
There is no "perfect." And if there
were, it would only close your mind
to new ideas and standards. In-
stead of seeking the ideal, seek a
solution that's as quirky and flexi-
ble as you are.

PISCES (Feb. 19-March 20). You
may be agitated by today's sky be-
cause it calls for more honesty than
you feel would be kind. Perhaps the
poet Kahlil Gibran can help: "If in-
deed you must be candid, be can-
did beautifully."

TODAY'S BIRTHDAY (Dec. 6).
Don't worry about being heroic.
Heroism is the byproduct of doing
the right thing consistently. That's
the true aim of your heart so you
can't go wrong. More highlights:
the purchase of property, a leader-
ship role in which you share what
inspires you, inspiring others along
the way, and countless escapades
with a jolly friend. Pisces and Scor-
pio adore you. Your lucky numbers
are: 8, 20, 7, 22 and 19.
