## S.U.R.E. thanks river cleanup volunteers

Thank you to the 102 volunteers — 68 adults and 34 youth — who helped clear more than 1,500 pounds of trash from the River Parkway and the banks of the Umatilla River in Pendleton on May 4!

Special thanks to **John Cook, Clifford Smith** and **Roger Rasico** of the **Veterans of Foreign Wars Post 922**, who staffed the grills for our barbecue lunch after the cleanup.

Food and beverages were donated by **Cash & Carry, Grocery Outlet, Walmart** and **Franz Bakery**. Walmart's Pendleton store also brought 35 volunteers to the event!

Special thanks to **Umatilla Basin Watershed Council** for their ongoing support.

Volunteers found plenty of Polar Pop cups, empty beer bottles, energy drink cans and cigarette butts.

**Jorden and Carlos Ruiz** volunteered for the May 4 river cleanup in Pendleton. The event was sponsored by **Stewards of the Umatilla River Environment (S.U.R.E.)**.

Other notable items included a pair of suspenders, a kid's bike frame, a toilet seat lid, a rice cooker, a bottle of women's body spray, an unopened can of tomato sauce and the head of a Worf action figure from "Star Trek: The Next Generation."

The **Stewards of the Umatilla River Environ-**

**ment (S.U.R.E.)** is an informal volunteer organization that supports the enhancement of the riparian environment along the parkway. We hold river cleanups at least once a year, which are great opportunities to meet new people and spend time along our beautiful river.

If your business or orga-

nization would like to sign up for the **Adopt-A-Parkway** program, to help keep the parkway clean year-round, give **Pendleton Parks & Recreation** a call at 541-276-8100.

Before the Adopt-A-Parkway program began, **S.U.R.E.** volunteers — then led by **Betty Klepper** — would remove over 2,000 pounds of trash from the riverbanks in a single morning.

If you would like to receive emails about future **S.U.R.E.** clean up events, please email [kbbrown@eastoregonian.com](mailto:kbbrown@eastoregonian.com) to be added to our email list, or follow @Stewards of the Umatilla River Environment-SURE on Facebook.
