 Stars Make Social Swirl

Don't worry about whether you know enough about the right things. Everyone feels out of place the first time they explore new terrain, and it's all new terrain this weekend. The chatty Gemini sun and social Aquarius moon will strike up new friendships, facilitate fascinating meetings and play just the sort of cosmic music that gets everybody dancing.

**ARIES** (March 21-April 19). When a rider pedals backward on a 10-speed bicycle, the feet rotate but the wheels don't engage. No momentum is created. Thinking against yourself has the same effect. It can't take you very far.

**TAURUS** (April 20-May 20). People sometimes have to lose a thing to understand and appreciate fully what it is. So, don't get too upset by the minor ups and downs of people and possessions flowing through your life. It's all about learning.

**GEMINI** (May 21-June 21). If you have to convince someone of your love, it might mean you're not showing them love in the preferred way they like to receive it. Once you find the right way, it takes a lot less energy to delight a person.

**CANCER** (June 22-July 22). Love's language is unique to all who speak it. Every relationship has its own kind of culture. Your contribution to the relationship is only a part of this. If one person is too dominant, the relationship's potential is diminished.

**LEO** (July 23-Aug. 22). As a fire sign, you've an innate understanding of passion's nature. It is your nature, too. Like a fire, passion needs to be oxygenated and fueled in order to burn. And you need inspiration in order to be your best self.

**VIRGO** (Aug. 23-Sept. 22). Most of the tasks you execute today have to do with skills you've picked up through experience. You learn best by doing. But there's something on the horizon that's going to happen more smoothly if you get a little formal training.

**LIBRA** (Sept. 23-Oct. 23). It's true that many social contracts are unspoken, but try not to take inferences too seriously right now. For instance, one date doesn't obligate you to anyone. Go out and try new things with new people just to see what happens.

**SCORPIO** (Oct. 24-Nov. 21). You want to know if a person feels as you do, but questions can't get to the truth. Maybe it's impossible to verify. Love takes trust, and trust happens when you can consistently and accurately predict a person's behavior.

**SAGITTARIUS** (Nov. 22-Dec. 21). Just because most people believe a thing doesn't make it true. But when total strangers who are uninformed and unbiased about the situation weigh in, that opinion should have more credence in your poll.

**CAPRICORN** (Dec. 22-Jan. 19). Seeking love is seldom the way to find it. Creating beautiful experiences for yourself and others is a far more predictable route to your heart's fulfillment and one that's worked for you time and again.

**AQUARIUS** (Jan. 20-Feb. 18). Now is the day to consider what present you'll bring to an upcoming event. If you wait, your ideas will be less interesting and more motivated by what you can get in time.

**PISCES** (Feb. 19-March 20). You're probably not even aware of who's thinking of you now and considering you for a role. You don't have to prove you're right for the position; just prove you're awesome at the one you already have.

**TODAY'S BIRTHDAY** (May 24). This year is marked by spontaneity. Friends won't want to do anything without you, and some of your most interesting life events will come out of spur-of-the-moment requests. Also notable: a debt finally gets paid; you'll get a chance to use your high school training; extended family or old friends will act as business allies. Leo and Libra adore you. Your lucky numbers are: 8, 10, 3, 33 and 37.

**EO-10176 NOTICE OF BUDGET HEARING**  
 A public meeting of the City of Pendleton City Council will be held on June 4, 2019 at 7 pm at City Council Chambers, City Hall, Oregon. The purpose of this meeting is to discuss the budget for the fiscal year beginning July 1, 2019 as approved by the City of Pendleton Budget Committee. A public hearing before the City Council on the proposed uses of State Revenue Sharing funds in relation to the entire budget will be held. A summary of the budget is presented below. A copy of the budget may be inspected or obtained at City Hall, 500 SW Dorion Ave., Pendleton between the hours of 8 a.m. and 5 p.m. or on the City website, [www.pendleton.or.us](http://www.pendleton.or.us) under the Finance Department tab. This budget is for an annual budget period. This budget was prepared on a basis of accounting that is the same as used the preceding year.

**STATEMENT OF CHANGES IN ACTIVITIES and SOURCES OF FINANCING \***

PERS is going up substantially over the next two rate cycles. Over the last several years, the City has spent substantially to reduce the backlog in maintenance. In spite of the record growing personnel costs, the City has been able to move closer to financial sustainability through continuous improved practices. The Airport fund revenues are projected to exceed \$1 million, more than double from two short years ago. This coming year, the City has to adjust for the loss of grant dollars to support Airport UAS personnel and planned infrastructure development. Over \$20 million in capital projects are planned including a new runway, a new hanger and Phase IV Industrial Park development. The Street Fund is another area where spending will be significant in repairs. It is projected to spend \$1.6 million on street repairs for this current fiscal year. The need to repair and replace old water and sewer lines will occur through Spring of 2020. Significant investment will be made in utility infrastructure for the airport expansion. The City has been able to leverage this investment to attract a \$3 million federal EDA grant for the Phase IV airport development. Water and Sewer funds will be advancing additional loan dollars with the State to make utility improvements. Public Safety continues to be a priority in the community. The Fire Department will be moving into the new fire station shortly and the City was recently voted as the "Safest City in Oregon". The City has improved its emergency response vehicle fleet, increased our fire department reserve program and public safety training budgets.
