BOATING GUIDE | RECREATION

Family Fun on the Boat

As the weather warms up, beaches will soon be full of outdoor enthusiasts enjoying time with friends and family. Don't miss out on awesome activities that can be achieved from the comfort of your boat.

The National Marine Manufacturers Association says fishing is the most popular activity done on boats. It's a great way to bond with children while teaching them the value of nature. Don't forget to incorporate these other great experiences which can be enjoyed on the water.

GO EXPLORING

With your GPS device fully charged, spend a day trekking to a part of the lake you haven't explored before. Encourage children to point out wildlife and different sights. Of course, if you feel like hiking a new area, try and avoid overgrown areas as dangerous animals may be using it as a habitat. If you will be traveling to a desolate part of the lake, be sure to disclose your location to friends or family and ensure your boat is fully fueled and in peak condition.

FIND A PARADE

If you are fortunate enough to live near a waterfront town or marina, you may have the opportunity to join a boat parade. Children of all ages will get excited to decorate their vessel and showcase it around the water to other boating enthusiasts.

GO TUBING

It's fun for all ages and much easier to master than waterskiing as requirements for agility

and balance aren't as necessary. You can find tubes in multiple sizes. Some are large enough to safely hold mom or dad and a little one to experience an

exciting activity together. Don't forget to wear your safety vests.

BOAT ON THE WILD SIDE

Plan a trip to a waterway

that offers adventures like deep-sea fishing or kite surfing.

If you are a novice boater, you can benefit from hiring a

certified skipper to show you the ropes in navigating to unfamiliar waterways.

Before you know it, you may be an expert yourself.
