When a story is so powerful in its message that it touches many people, in some way the story no longer belongs to the one telling it.

ARIES (March 21-April 19). Tight friendships bring soul comfort and heart happiness.

TAURUS (April 20-May 20). Affection, warmth, laughter, playfulness -- these are the qualities you'd like certain relationships to reflect.

GEMINI (May 21-June 21). Glimpsing the inner workings of other people's brains makes your life more interesting.

CANCER (June 22-July 22). You're a force for good and a positive influence. Then again, everyone believes this.

LEO (July 23-Aug. 22). You've been known to flirt without realizing it.

VIRGO (Aug. 23-Sept. 22). You are an excellent planner, and it's worthwhile to spend your time and energy on drawing up your ideas for the future.

LIBRA (Sept. 23-Oct. 23). It's not your job to make the people around you happy.

SCORPIO (Oct. 24-Nov. 21). Having too many things to do would prevent you from doing any of them exceptionally well.

SAGITTARIUS (Nov. 22-Dec. 21). Most will be won over by your charm.

CAPRICORN (Dec. 22-Jan. 19). Things don't have to go according to plan in order for you to feel like they are as they should be.

AQUARIUS (Jan. 20-Feb. 18). Even favorable circumstances, fortuitous opportunities and wonderful events can be incredibly stressful.

PISCES (Feb. 19-March 20). It's not that you made a wrong choice; it's just that you acted on what you knew.

TODAY'S BIRTHDAY (July 9). By consciously choosing your models, guides and leaders, you put personal changes in motion.
