EO-10296 July 16, 2019 Press Release

Recent fires in Oregon and across the western United States have increased public awareness over the potential losses to life, property, and natural and cultural resources that fire can pose.

The Morrow County Community Wildfire Protection Plan (MCCWPP) is the result of a countywide effort initiated to reduce wildland fire risk to communities and their citizens, the environment, and quality of life within Morrow County.

The MCCWPP is a community-based plan focused on identifying and addressing the local threat of wildfire. The MCCWPP will help to identify areas at risk and provide a roadmap of actions for the community to address its wildfire risk.

The DRAFT version of the 2019 Update to the Morrow County Wildfire Protection Plan (MCCWPP) is completed and available to be viewed on our website, https://www.co.morrow.or.us/planning/page/community-wildfire-protection-plan-201819-update.

HOROSCOPES

By Holiday

WEDNESDAY, JULY 17, 2019 Saturn Changes and So Can You

Have you been working at odds with the advisor in your head? It can be challenging to bring together the whole "team" that is you, but this is a challenge worth taking on.

ARIES (March 21-April 19). You always have feelers extended for danger, opportunity and necessary information.

TAURUS (April 20-May 20). The sweetest words to land on your ears will be "you're right," or possibly, "that's right."

GEMINI (May 21-June 21). When someone joins in on your emotional stance, it feels good.

CANCER (June 22-July 22). Your reputation will precede you. You can't control what people say about you, but you can enact behaviors and brand yourself in a way that makes certain definitions stick.

LEO (July 23-Aug. 22). Building bonds is interesting work. The more you talk about things you have in common other than business, the more likely it is that business is going to happen.

VIRGO (Aug. 23-Sept. 22). The reptilian brain has been keeping humans alive for thousands of years. So try not to blame it too much for firing those fight-or-flight signals seemingly unnecessarily.

LIBRA (Sept. 23-Oct. 23). The winning move will be one that is pleasantly persistent. The consistency of tone earns trust, and the established pattern primes everyone for what's sure to happen.

SCORPIO (Oct. 24-Nov. 21). Define success, not only for yourself but also to hear another person's definition. If people working together have different definitions of the success, the journey will be arduous indeed.

SAGITTARIUS (Nov. 22-Dec. 21). "How?" is the question that will bring people together. People who know how will show people who don't.

CAPRICORN (Dec. 22-Jan. 19). You suspect that your idea will work well for absolutely everyone involved, though you're currently lacking in the influence needed to execute it.

AQUARIUS (Jan. 20-Feb. 18). A hunch is not a magic visitor from the land of intuition. A hunch is a converging combination of different kinds of intelligence.

PISCES (Feb. 19-March 20). There are matters best observed with the closest attention you can give them, which will not nearly be enough to understand them at first.

TODAY'S BIRTHDAY (July 17). One of your many superpowers is knowing when the party is over.
