TUESDAY, JULY 23, 2019 Leo Sun Story Updates

Just as Disney remakes their best movies to update them and bring them to new generations, your personal story could probably use an update.

ARIES (March 21-April 19). You admire, you love, and you give your goodwill freely and fully.

TAURUS (April 20-May 20). Exaggeration is a branch of lying, though often born of a benevolent attempt at making the praise more exciting.

GEMINI (May 21-June 21). When you make a recommendation, you put yourself and your judgment on the line.

CANCER (June 22-July 22). You have friends who naturally gravitate to an opposing view to yours.

LEO (July 23-Aug. 22). It's prudent to avoid contradicting anyone and, if you can help it, avoid being contradicted yourself.

VIRGO (Aug. 23-Sept. 22). Boredom is a miserable affliction, but it's also the predecessor to your next excellent and purposeful work.

LIBRA (Sept. 23-Oct. 23). If you're going to assume anything, assume that there are and will always be things you don't know about others and that these mysteries will keep things interesting.

SCORPIO (Oct. 24-Nov. 21). A good match of intensity levels will be the secret sauce of social ease.

SAGITTARIUS (Nov. 22-Dec. 21). Your day will be influenced strongly and surprisingly by the good words, better deeds and unfailing courtesy you propagate wherever you go.

CAPRICORN (Dec. 22-Jan. 19). Act decisively. You know what you're doing. Oddly enough, even if you've never done anything like this before in your life, you'll still make excellent choices.

AQUARIUS (Jan. 20-Feb. 18). There's a magic interchange that occurs when you align yourself with those of great mind, heart and character.

PISCES (Feb. 19-March 20). You will persuade without words and obtain without a financial exchange.

TODAY'S BIRTHDAY (July 23). Your cosmic birthday gift is an excellent guidance system for your lionheart.
