WEDNESDAY, JULY 24, 2019 Message from the Heart of the Leo Sun

To love someone, even from afar, chang something about upholding the highes idea of a person that alters the dynamic Whether you actually interact, give you admiration in ways that remain in the pri vate castle of your own mind or simpl hold a heart space open, the results wil be equally felicific.

ARIES (March 21-April 19). You were cunning because the situation required it. It would be unwise to speak of this. If would be impressive, but when cunning shows itself it arouses fear and mistrust

TAURUS (April 20-May 20). Stay unre-lentingly focused on the positive, and you'll steer clear of a messy little bit of unnecessary drama that's coming into your vicinity. The less people involved in that the better!

GEMINI (May 21-June 21). It excites you to create a plan and then see it through. In fact, this is so exciting that you may, to some extent, forgo other exciting things like eating and sleeping until you see your depiced reput our desired result.

CANCER (June 22-July 22). Astute questions will come to mind, questions like, "Why are you telling me?" and "What do you want?" Until you know a person's motives, you won't be sure of what role to clow. to play.

LEO (July 23-Aug. 22). If you can't see clearly from where you are, the answer is not to look harder. You have to move. Maybe you need to stand up, climb, go around, wash the window or go where it's less crowded. Keep trying new angles until you can see.

VIRGO (Aug. 23-Sept. 22). Though you may have plenty to offer, you don't want to come off as arrogant in your giving of it. You don't want to merely present a humble attitude; you adjust until you ac-tually fed tibie; tually feel this.

LIBRA (Sept. 23-Oct. 23). Your attraction to the exotic leads you to a place of un-certainty. Are you safe? Are you wanted here? What's in it for you? These ques-tions and more will be answered as you explore.

SCORPIO (Oct. 24-Nov. 21). Your time money and attention are valuable re-sources, and, like all resources, when they are given too freely, they become quickly undervalued. Hold some back and the value goes up.

SAGITTARIUS (Nov. 22-Dec. 21). Rela-tionships start casually. Standing next to a person in line, a courteous discourse, a minor transaction -- that's all it takes to spark the feeling that it would be good to know someone better.

CAPRICORN (Dec. 22-Jan. 19). You are wide awake. To proceed cautiously in ordinary things will give you a great advantage over those who tumble hap-lessly, confidently forward. Also, there's no greater proof of leadership.

AQUARIUS (Jan. 20-Feb. 18). You're memorable to people. This has its plusses and minuses. On the one hand, it means that, if you like, you can make a message or agenda stick. On the other hand, it means must always be on your best behavior. best behavior.

PISCES (Feb. 19-March 20). The amount of stress you feel will greatly contribute to your decision-making pro-cess. You're unlikely to repeat a series of actions that causes you anxiety, even for a big reward.

TODAY'S BIRTHDAY (July 24). Once you give yourself permission to change, your routines will get healthier. New friends will come into your life. The main thing is not putting up with boredom. As you for cus on the people and projects that mos Interest you, your senses of connection and contribution increase and your lev-el of happiness and well-being will soar. Aries and Gemini adore you.
