GEMINI (May 21-June 21). What you do you do for your own self-respect and noi to acquire any reward or avoid any punishment that the world provides for such an action. Your confidence will grow with every right move

CANCER (June 22-July 22). You'll make good choices by way of scientific deduc tion, intuition, common sense and luck You'll do your part and destiny will lean ir to shoulder some of the weight.

LEO (July 23-Aug. 22). You care about the other person's experience of you. This care extends to the groups you represent. You take partial responsibility for how people experience any social group, company or country to which you belong.

VIRGO (Aug. 23-Sept. 22). Your discerning mind has kept you out of trouble, just don't let it also keep you out of the good stuff. The beginning of things is no time to judge. Rather, it's a time to observe while keeping the spirit of possibility alive. LIBRA (Sept. 23-Oct. 23). Success look LIBHA (Sept. 23-Oct. 23). Success looks different to different people. Make no assumptions about this except maybe that your definition of success is unique to you. When you match your own expectation, it will bring deep personal satisfaction.
