## 'Premiere' entertainment: Tottenham Hotspurs host Aston Villa F.C.

By Ryan Guebert  
TV Media

The 2019-20 English Premier League season kicks off on Friday, Aug. 9, with Norwich City taking on the Champions League winners Liverpool. Follow opening weekend action on Saturday, Aug. 10, when Tottenham Hotspur host Aston Villa. Catch live action at Tottenham Hotspur Stadium on NBC.

Last season, striker Harry Kane had his most disappointing campaign since becoming a regular for the Spurs in 2014-2015. In 28 appearances, the England international

scored 17 league goals — nearly half as many as the season prior. Of course, this was a direct result of an ankle injury he sustained in January that kept him out of action for more than a month.

Upon his return, Kane's presence on field was not the same as it was before the injury, and he scored only three times in the remaining 12 games, and the Spurs won a single game in that span. He also managed only one goal throughout the knockout phase of the Champions League, and the Spurs lost in the final. Kane is looking for a bounce-back season and has a prime opportunity to start

tallying goals against the newly promoted Aston Villa.

After 24 years in the Premier League, Aston Villa was relegated to the EFL Championship in 2016. Now, following three seasons in England's second division, the Villans are set to reestablish themselves in the top flight of English football with another long tenure. Jack Grealish leads a young squad that are amassing their first experiences in the Premier League. At only 24 years of age, Grealish already has ample experience as he was called to Aston Villa's first team at the age of 16.
