MODERN BOARD GAME NIGHT: A FREE OFFERING!

Facilitated by Karl Davis

*SECOND TUESDAY OF EVERY MONTH,
5:30 – 8:00 PM*

Oct. 8, Nov. 12, Dec. 10

As opposed to traditional American-style games – like Risk -- modern Euro-style games are won on strategy, not

conflict. They feature little or no luck, and economic, not military, themes. In addition, all players stay in the game until it's over. The artistic design of the game is also important. Euro-style games often feature beautiful, intricate images, wooden player pieces and 3-D aspects. Whether you're a total novice or well-versed in these styles of games, you can join in. Bring your own or play one from Karl's collection. We'll have complimentary refreshments.
