

# WELCOME

## Mission

The Arts Council of Pendleton provides opportunities for creative expression and community connection through experiences, education, and advocacy in the arts.

## Staff

Roberta Lavadour, Executive Director  
JD Smith, Development Director  
Kate Brizendine, Coordinator of Education & Outreach  
Kate Peck, Education & Outreach Assistant  
Marissa Carlos, Custodian

As we head in to fall and the kids get back to school, we ramp up our class offerings to meet the demand. Kate Brizendine has really taken the “creative expression” and “community connection” pieces of our mission and infused them into a fun and engaging slate of offerings. We couldn’t do what we do without the amazing group of instructors who lend us their talents, and we’re pleased to have so many of your favorites back for fall and to introduce some new faces. We love serving the community, and if you have suggestions on how we can do it better, please let us know. THANK YOU, as always.
