## Jacqueline Jean 'Jackie' Payne

## Hermiston

June 16, 1937 — August 12, 2019

Jacqueline Jean "Jackie" Payne of Hermiston, Oregon, was born on June 16, 1937, in Spencer, Iowa, to parents Ethel Edwards and George Noble. She passed away peacefully in her sleep on August 12, 2019, in Newport, Oregon, at the age of 82 years while vacationing with her family.

Jackie moved to Oregon when she was very young, growing up in the woods near Detroit Lake where her stepfather was working on construction of the Detroit Dam. Jackie later moved to Gresham, Oregon, where she met Bill Hart in December of 1951 and they lived in the Wamic area. At the age of 15, she was in a motorcycle accident where she broke her back and spent a year in the hospital and was told she would never walk again. Jackie had a small baby and told them that they would learn to walk together. With a strong will she not only learned to walk again, she became an accomplished horseback rider and participated in many parades.

They moved to Hermiston, Oregon, in 1965 and she lost her husband Bill, who drowned in 1969. Jackie's mother lived with her until she passed. She began her career with the court system in 1968 and earned her MBA while working. She retired as the District Court supervisor and judge.

Jackie married David Payne on December 8, 1973, in Hermiston, Oregon, joining their children to make a large family. They enjoyed

camping and fishing, spending nearly all of the weekends in the mountains. David passed away in 2012.

Jackie loved her family and was the guiding star of courage to all. Her faith in God shone through and gives us all comfort. She is joined again with her son, Bill, who just passed away in May; her husbands Bill and David; her mother Ethel; and brothers Sam, Joel and Michael Edwards.

Jackie was famous for her hugs and smiles. She always encouraged us and made us feel special. She was a member of the Hermiston Christian Center.

She is survived by her daughters Donna Martin and husband Leroy, and Margaret Hendricks; step-kids Larry, Daniel and Lori, and Michael Payne and Denise Anderson; brothers James and Jerry Edwards; sisters-in-law Ferrol Clark, Karen Edwards and Carol Mace Edwards Jones; numerous grandchildren and great-grandchildren; two great-great-grandchildren; and many nieces and nephews.

A funeral service will be held on Saturday, August 17, 2019, at 1 p.m. at Burns Mortuary chapel, Hermiston, Oregon. Burial will follow at the Hermiston Cemetery, Hermiston, Oregon.

## Medical examiner confirms Epstein death a suicide by hanging

By **MICHAEL BALSAMO, LARRY NEUMEISTER AND MICHAEL R. SISAK**  
*Associated Press*

NEW YORK — Jeffrey Epstein's prison death has been confirmed a suicide by hanging, the medical examiner's office said Friday.

Epstein, 66, was found dead in his cell at the Metropolitan Correctional Center in New York City on Aug. 10, touching off outrage and disbelief over how such a high-profile prisoner, known for socializing with powerful people including presidents Donald Trump and Bill Clinton, could have

gone unwatched.

The Bureau of Prisons said Epstein had apparently killed himself, but that didn't squelch conspiracy theories about his death.

Messages seeking comment were left for Epstein's lawyers. An office telephone number for Dr. Michael Baden, the pathologist hired by Epstein's representatives to observe the autopsy, rang unanswered.

Epstein, who was charged with sexually abusing numerous underage girls over several years, had been placed on suicide watch last month after he was found on his cell floor on July 23 with bruising on his neck.

But multiple people famil-

Epstein

iar with operations at the jail say he was taken off the watch after about a week and put back in a high-security housing unit where he was less closely monitored, but still supposed to be checked on every 30 minutes.

Attorney General William Barr says officials have uncovered "serious irregularities" at the jail. The FBI and the Justice Department's inspector general are both investigating Epstein's death.

Jail guards on duty the night of Epstein's death are suspected of falsifying log entries to show they were checking on inmates every half-hour as required, according to several people familiar with the matter.

A guard in Epstein's unit was working a fifth straight

day of overtime and another guard was working mandatory overtime, the people said. They spoke on condition of anonymity because they lacked authorization to publicly discuss the investigation.

U.S. District Judge Richard Berman, who is in charge of the criminal case against Epstein, asked the jail's warden this week for answers about the earlier episode, writing in a letter Monday that it had "never been definitively explained."

The warden replied that an internal investigation was completed but that he couldn't provide information because the findings were being incorporated into investigations into Epstein's death.
