SATURDAY, OCTOBER 5, 2019 Planetary Power Drama

With a backdrop provided by the recent shake up of Pluto, Mercury and Mars, and and the Capricorn moon in the foreground plotting takeovers with the Libra sun, in some circles this weekend will unfold like an HBO power drama in which the driven and dysfunctional make plays for a throne or its equivalent in corporate

ARIES (March 21-April 19). The short-cuts that are heavily advertised are almost never going to get you there faster. Lots of people will take the publicized route, thus creating a traffic jam -- frus-trating, slow-going, more like a trap than a solution.

TAURUS (April 20-May 20). You've had the sensation before of getting what you want and being strangely unsatisfied by having it. That's what makes the genuine appreciation and gratitude you feel today all the more wonderful.

GEMINI (May 21-June 21). You are your first responsibility, and if you're doing the job right, the boss, which is also you, should be pleased by, not merely tolerant of, your efforts. When it comes to supporting yourself, go all out

CANCER (June 22-July 22), Trust is very important to friendship. Without it people can't be as close. Still, you sometimes have to be around people you don't trust, and it's not necessarily a reason for confrontation. Just stay guarded and aware

LEO (July 23-Aug. 22). Your perception is better than your sight. Push your perception into things that are far away and try to feel how they would be close up. Then do the same in reverse. The exercise strengthens your intuition.

VIRGO (Aug. 23-Sept. 22). It's better to engage with people instead of shutting them out because you don't agree with them. You'll have more power in the sit-

uation when you're connected in some way. Find common ground. LIBRA (Sept. 23-Oct. 23). You have better than usual influence over your own mental state and will be able to

consciously move your attitude to where

t needs to be to get the most of the sit-SCORPIO (Oct. 24-Nov. 21). There i

no good reason to shy away from what makes you laugh and smile. Bonus: The fun you'll have will inspire your financial sector. There may even be á way to make SAGITTARIUS (Nov. 22-Dec. 21). You

don't have to be wandering to be lost. Many are lost right where they live. But sometimes just looking at the bigger picture found inside a map starts to bring paths and destinations to mind

CAPRICORN (Dec. 22-Jan. 19). When your idea doesn't land the way you want it to, that doesn't mean it's a bad idea. You could have the wrong audience, or the timing could be off. Tinker with the variables before throwing this one out.

AQUARIUS (Jan. 20-Feb. 18). Everyon gets to tap his or her own untapped po-tential. Others may lead the way, but it is up to each individual to figure out how to get to their own good stuff.

PISCES (Feb. 19-March 20). You're pretty effective on your own, and besides, you're still not sure whom you can trust and how you can best work with your various options. You'll learn much even

as you keep things friendly and noncommittal. TODAY'S BIRTHDAY (Oct. 5). The way you live your life and/or run your busi-ness is as much a work of art as anything you produce. As you express yourself and follow your muse, you show people and follow your muse, you show people a path they hadn't thought of. Your novel leadership will open the door to the sort of experiences you once dreamed about having when you were small. Leo and Aries aďore yoú. Your lucky numbers are 20, 4, 44, 28 and 13.

EO-10396 **DEPARTMENT OF DEFENSE**

Department of the Navy
Notice of Availability of the Record of Decision for Department of the Navy Real Estate Actions in Support of the Boardman to Hemmingway Transmission Line Project, at Naval Weapons Systems Training Facility Boardman, OR

The United States (U.S.) Department of the Navy (Navy), after par ticipating as a cooperating agency in the development and evaluation of the U.S. Bureau of Land Management's Final Environ-mental Impact Statement (EIS) for the Boardman to Hemingway Transmission Line Project (B2H Project), and carefully weighing the strategic, operational, and environmental consequences of the proposed action, announces its decision to adopt the Final EIS and implement real estate actions as set out in the selected alternative, identified as the Agency Preferred Alternative in the Final EIS dated November 2016.

Navy real estate actions would grant a 7.1 mile by 90-foot right of way easement to the Idaho Power Company to allow for construction and operation of a portion of the B2H project on Naval Weapons Systems Training Facility (NWSTF) Boardman, Oregon in exchange for the termination of an existing land use agreement and removal of transmission infrastructure held by Bonneville Power Administration (BPA) that occupies the same right-of-way.

The Agency Preferred Alternative route exits the proposed Longhorn Substation to the south, crossing the boundary of NWSTF Boardman at the northeastern corner and parallels the eastern boundary of NWSTF Boardman along the west side of Bombing Range Road for approximately 7.1 miles. At that point, the route crosses over Bombing Range Road to the east and exits Federal property. The route will avoid the Resource Natural Area B, a Washington ground squirrel Resource Management Area, and traditional cultural properties on NWSTF Boardman.

The complete text of the Record of Decision (ROD) for the Navy's real estate action is available at: https://navfac.navy.mil/ NWNEPA, along with the November 2016 Final EIS for the Boardman to Hemingway Transmission Line Project. Single copies of the ROD are available upon request by contacting: Naval Facilities Engineering Command Northwest, Attn: Jackie Queen (Environmental Planner), 3730 Charles Porter Avenue, Oak Harbor, WA
