TUESDAY, JANUARY 28, 2020 Mars and Neptune Commitment Chal lenge

Mars and Neptune square off to remine us that big issues can take longer to wor out. Maybe a lifetime just isn't enough But when it comes to soul-elevation time isn't the most relative variable any way. The measurement that matters is commitment. Wholeheartedly agree to do whatever it takes, for however long.

because it's all that matters. ARIES (March 21-April 19). The bottor ne is important, but it's rarely what a si uation is really about. To know what real y matters to people, study interaction side the smallest gestures will be the gift of everything.

TAURUS (April 20-May 20). You've de icided to get good at something. It doesn't matter how far off you are from the mark right now. Figure out what small part of it you can learn. You only need to get 1% better at a time.

GEMINI (May 21-June 21). You don't like o start a thing unless you think you car inish it. The rookie move is to put to gether the puzzle before you notice how many pieces will be involved.

CANCER (June 22-July 22). What do you have to do to make your heart a zone of peace? And can you do it alone? No. That's as impossible as harmonizing with ourself in real time.

LEO (July 23-Aug. 22). A ring of fire is an enduring symbol. Johnny Cash sang about it, circus cats jump through it and, recently, it was found illustrated on an ancient Egyptian map. In some you'll be jumping through such a burning ĺoop todáy.

VIRGO (Aug. 23-Sept. 22). Sure, maybe you could be going faster, more efficiently and doing it in better form. But that's not the point. The point is movement. Forget what it's supposed to look like, just make it count. ust make it count

LIBRA (Sept. 23-Oct. 23). In every mo-ment, you have choices. Being too aware of that fact is paralyzing, and not being aware enough of it is worse. People get stuck when they mistake sliding doors

SCORPIO (Oct. 24-Nov. 21). Something interdimensional is occurring within. For this reason, you'll make as much of an imprint on the world by observing pass ersby as you will by interacting with them or staying home.

SAGITTARIUS (Nov. 22-Dec. 21). Early judgment is inefficient. Then comes opinions and disappointment. Then comes arguing with reality -- what a waste. Before you judge, let reality show you what it is. Then accept that, and go from there.

CAPRICORN (Dec. 22-Jan. 19). Know ing what you need is not so easy. Most of the time, people just guess at it, get it wrong, and try again. A person who can accurately assess your needs is an invaluable gift and should be cherished

AQUARIUS (Jan. 20-Feb. 18). Tolerance needs a better public relations campaign. It's not regarded as particularly glamorous, and yet tolerance is the value most closely linked to "cool." No one can be cool without allowing a wide range of life to happen.

PISCES (Feb. 19-March 20). You're never really on a straight road. Even the most linear, endless unchanging line of pavement is subtly wrapping around the curvature of a spherical planet. Dips and climbs are inevitable.

TODAY'S BIRTHDAY (Jan. 28). Even TODAY'S BIRTHDAY (Jan. 28). Even though the early weeks pop with excitement, the real surprise will be the thrill that comes from being needed. The more you do for others, the better you feel. And as you execute your plans, you'll notice who you inspire. Your past and your professional life merge in helpful and lucrative ways. Scorpio and Pisces adore you. Your lucky numbers are: 9, 2, 18, 44 and 6.
