**Local service. International resources.**

We live and work in your area, so we're invested in the success of our service and the local business community. In addition, we are backed by one of the fastest-growing employment companies in the world, so we offer support and a level of service other local companies can't match.

Whether you are looking for work or need staffing solutions within your business organization, Express can help.

From left: Jessica Smith (Front Office Coordinator), Amy Adams, Patty Fernandez, Mike Stipe (owner) and Kristin Connell (manager)

Kline Landscape & Irrigation Inc. has been a proud leader the past 20 years serving the Pendleton, Hermiston & surrounding communities with all your landscape and irrigation needs. We offer landscaping services such as designs, retaining walls, pavers, edging, fences, decks, water features and continuous decorative concrete landscape curbing. Our irrigation services include designs, installations, repairs, spring start ups & winterizations. The residential/commercial maintenance programs can be designed to serve your specific needs. From spring clean ups to fertilizing to lawn mowing to pruning. Local businesses provide us with the materials that help maintain our quality and customer satisfaction. We pride ourselves on quality work and our imaginative designs and competitive pricing will create that "The Final Phase To A Beautiful Home."
