EO-10568

NOTICE IS HEREBY GIVEN THAT a public hearing will be held by the City Council at 6:00 p.m. on February 18, 2020 at the City Hall 700 6th St. Umatilla, OR 97882. The City of Umatilla is eligible to apply for a 2020 Community Development Block Grant from Business Oregon. Community Development Block Grant funds come from the U.S. Department of Housing and Urban Development. The grants can be used for public facilities and housing improvements, primarily for persons with low and moderate incomes. Approximately \$12 million will be awarded to Oregon non-metropolitan cities and counties in 2019. The maximum grant that a city or county can receive for a public works project is \$2,500,000. The City of Umatilla is preparing two applications for a 2020 Community Development Block Grant from the Business Oregon for #1. Final Design of water utility extension to the Power City area; and #2. Final Design of sewer utility extension to Power City area. The City would also like to extend water and sewer service to the Brownell neighborhood behind the ODOT weigh station, and will incorporate that into each project if possible; this will depend on the results of an income survey currently underway. It is estimated that the proposed projects will benefit at least 93 persons without the Brownell neighborhood, of whom 66.7% will be Low- or Moderate-income, or 183+ persons with the Brownell neighborhood, of which at least 51.3% will be low- or moderate-income. The purpose of this hearing is for the City Council to obtain citizen views and to respond to questions and comments about: community development and housing needs, especially the needs of low- and moderate-income persons, as well as other needs in the community that might be assisted with a Community Development Block Grant project; and the proposed projects. More information about Oregon Community Development Block Grants, the proposed projects, and records about the City of Umatilla's past use of Community Development Block Grant funds is available for public review at City Hall 700 6th St. Umatilla, OR 97882 during regular office hours. Advance notice is requested. If special accommodations are needed, please notify Nanci Sandoval at (541) 922-3226 so that appropriate assistance can be provided. Permanent involuntary displacement of persons or businesses is not anticipated as a result from either proposed project. If displacement becomes necessary, alternatives will be examined to minimize the displacement and provide required/reasonable benefits to those displaced. Any low- and moderate-income housing that is demolished or converted to another use will be replaced. Written comments are also welcome and must be received by February 14, 2020 at City of Umatilla, PO Box 130/700 6th St. Umatilla, OR 97882. Both oral and written comments will be considered by the City Council in deciding whether to apply. The location of the hearing is accessible to persons with disabilities. Please contact City Recorder Sandoval at (541) 922-3226 if you will need any special accommodations to attend or participate in the meeting. Published February 13th of 2020.

EO-10573

NOTICE OF RECEIPT OF BALLOT TITLE Notice is hereby given that a ballot title for a measure referred by the City of Boardman has been filed with the City Elections Officer on February 11, 2020. Notice is hereby given that on May 19, 2020, an election will be held in the City of Boardman and conducted by mail. The ballot title to be submitted to the City's voters follows. Caption: Boardman General Obligation Bond Authorization for Water and Wastewater Facilities Question: Shall the City issue general obligation bonds not to exceed \$20,320,000 to improve and expand its water and wastewater facilities? If the bonds are approved, they will be payable from taxes on property or property ownership that are not subject to the limits of sections 11 and 11b, Article XI of the Oregon Constitution. Summary: If approved, this measure would provide funds for capital acquisition, construction and improvements to the City of Boardman's water and wastewater facilities, including: - A water booster pump station - An approximately one-million-gallon water reservoir - A new water collector well - Constructing an approximately 13-acre lagoon - Constructing wastewater lift stations - Acquiring land - Refinancing outstanding debt - Paying costs of issuance of the bonds If approved, the average annual tax rate for this measure is estimated to be \$1.56 per \$1,000 of assessed value. Actual rates may vary based upon interest rates incurred and changes in assessed value. Bonds would mature in a period not to exceed 25 years from date of issuance and may be issued in one or more series. An elector may file a petition for review of this ballot title in the Morrow County Circuit Court no later than 5:00 p.m., on February 21, 2020, under ORS 250.296.
