Nicholas Ralph stars in
"All Creatures Great and Small"

Newcomer Nicholas Ralph stars as surgical veterinarian James Herriot in this reboot of the popular British drama "All Creatures Great and Small," premiering Sunday, Jan. 10, on Masterpiece on PBS. Based on the semi-autobiographical series of books by James Alfred Wight, Herriot is taken under the wing of Dr. Siegfried Farnon (Samuel West, "Mr Self-ridge") to help with his rural veterinary practice's day-to-day responsibilities. Anna Madeley ("The Royal") and Rachel Shenton ("Hollyoaks") also star.
