**2020 COMMERCIAL RECYCLER of the Year**

**EAST OREGONIAN**

At the end of each year the employees of Pendleton Sanitary Service, Inc. (PSSI) nominate several commercial businesses or institutions for the Commercial Recycler of the Year award. The winning recipient is also determined by a vote of PSSI employees. This award is given to a commercial recycler that does an outstanding job in recycling or has made significant improvements in their recycling efforts over the past year.

The employees of Pendleton Sanitary Service voted unanimously to choose the East Oregonian as Pendleton's Commercial Recycler of the Year for 2020.

The East Oregonian began recycling newspaper in 1984 as one of PSSI's first commercial recycling customers. In the 36 year working relationship, the East Oregonian has continued to be a community leader in recycling efforts. In 2020, the East Oregonian recycled 102 tons of newspaper, 13 tons of cardboard and 2.1 tons of office paper. This ranks as one of the City's top commercial recyclers!

In addition to the significant volume they recycle, the East Oregonian's quality of recycled material is impeccable. Their recycled newspaper ranks as grade #9, which requires near zero tolerance for contamination. That quality standard has been maintained consistently over almost four decades of recycling with PSSI. Impressive to say the least!

Last, the East Oregonian has consistently worked with PSSI to reuse and repurpose newsprint rolls that are damaged or unusable. Those rolls have been marketed to other printers or mills to be reused rather than disposed of. An excellent example of the Reduce, Reuse, Recycle hierarchy!

Pendleton Sanitary Service would like to congratulate and thank the East Oregonian and their employees for their outstanding efforts in recycling!
