This year's winners each received \$1,000 to help with completing their education.

The first scholarship was awarded to Richard Veliz. He attends the Perry Technical School in Yakima, Washington, majoring in heating, ventilating, air conditioning and refrigeration technology. A Stanfield High School graduate, Veliz hopes to find a job after graduation in Umatilla County, where he anticipates a growth in future demand.

Tanner Smith is another recipient, who is working on his master's in music education at Oregon State University. He also attended OSU for his undergraduate courses. He is a Hermiston graduate who would like to be a high school choir director someday.

The third scholarship was awarded to Kelly De la Cruz to help her complete her education at Western Governors University. She graduated from Hermiston High School, as well as Blue Mountain Community College, with a degree in accounting. In Her Shoes supports Domestic Violence Services

HERMISTON — An experiential awareness event that helps raise money returns for the seventh year to help Domestic Violence Services.

"In Her Shoes" is Saturday, April 24, from 9 a.m. to noon on the walking path at Good Shepherd Health Care System, 610 N.W. 11th St., Hermiston. Online registration opened March 29 at www.dvs-or.org. The registration fee is \$15, which includes a T-shirt. The first 20 people to sign up will receive a mystery goodie bag.

Domestic Violence Services has served Umatilla and Morrow counties for more than 40 years. The nonprofit organization has shelters in Hermiston and Pendleton. Its mission is to provide help to all victims of domestic violence and sexual assault. In addition to the shelters, the agency maintains a 24-hour crisis line (800-833-1161) and offers safety planning, peer groups, parenting classes and other support services.

Daddy Daughter Dance postponed indefinitely

PENDLETON — Pendleton Parks and Recreation has made the decision to postpone the annual Daddy Daughter Dance indefinitely. The determination was made after much consideration over the uncertainty of Umatilla County risk level progression.

"What makes the Daddy Daughter Dance so special to our area is the investment by our community," Parks and Recreation Director Liam Hughes said in a press release. "Families take great effort to prepare for the dance, and businesses offer special menus and promotions to serve those families. We feel we cannot sell tickets for the event until we can say with a high level of certainty the event will be able to happen."

The Daddy Daughter Dance was originally set for February. With hopes that the pandemic's effects in Umatilla County would improve enough to be in the correct risk level, it was postponed to May 15. The family-favorite event would not be able to occur in the current risk level, or the "Moderate" risk level for that matter. OHA guidelines for counties in the high-risk category set the maximum attendance at this type of event to 50. And for counties in Moderate risk the maximum attendance would be 100.

The Daddy Daughter Dance has sold out every year in recent history with an attendance of 675.

"We are extremely disappointed to make this decision," Recreation Supervisor Jonathan Bullard said, "with the current guidelines and policies we have to operate under, we are unable to host the Daddy Daughter Dance to the standards this special night requires. We look forward to hosting this special event again when we can."
