HOROSCOPES BY HOLIDAY MATHIS

FRIDAY, APRIL 9, 2021 The Moon is a Casting Director

Babies and puppies aren't trying to be cute, but everything they do is colored by who they are. Communication is always colored by the personality delivering it. In some cases, the messenger makes all of the difference. This Pisces moon, many find themselves in casting director mode, searching for the right person to voice an idea.

ARIES (March 21-April 19). You'll hit it off with new people. Don't be afraid to be the first to call and establish a relationship beyond the original circumstance that brought you together.

TAURUS (April 20-May 20). Treat your mind by feeding it the stories and equations, art and movement that gets the mental wheels whirring. Your receptive synapses will spark with brilliant ideas

GEMINI (May 21-June 21). You'll likely bear witness to graciousness and good manners, but if you don't see such behavior, it's a signal to start the cycle. One good-hearted action will ripple out to the whole world.

CANCER (June 22-July 22). How you get things done will be more important than what you get done. Approaching mundane tasks with great and fanciful gusto is so you – shine on!

LEO (July 23-Aug. 22). Everyone wants to feel better and there won't be a lot of consensus as to how it's best accomplished. Today will bring new things to try and you'll have fun experimenting to find out what's best for you.

VIRGO (Aug. 23-Sept. 22). The moment is with you everywhere. It's a portable power source. By trying to run on your own power, you run your battery down needlessly. But when you plug into the moment, you

LIBRA (Sept. 23-Oct. 23). Everything you do bears your signature, so there is no such thing as an

anonymous act. Even when you go undetected by others, the witness inside you keeps very thorough

SCORPIO (Oct. 24-Nov. 21). Because of your excellent relationship with yourself, you're able to have satisfying friendships with others. Whatever you

do that brings you enjoyment is for them, too, even if

SAGITTARIUS (Nov. 22-Dec. 21). You've a gift for seeing the potential in things and getting excited about their development. It's not that you want them to be otherwise though. Every stage has beauty in it. Don't push or rush to results.

they aren't there with you.

CAPRICORN (Dec. 22-Jan. 19). You don't have to go anywhere exotic to find beauty and, in fact, you don't have to go anywhere at all. Because you've learned to see that beauty is everywhere.

AQUARIUS (Jan. 20-Feb. 18). Giving advice is a kind of pleasure. So, to ask for advice is to give a gift. Older family members will be especially deserving of this kindness from you today.

PISCES (Feb. 19-March 20). You become quite aware of the energy flow - who adds to it, who sucks from it, and how things tend to unfold depending on who gets involved. Think of this as good data. Collect it and refrain from judgment.

TODAY'S BIRTHDAY (April 9). As for the long-term goal you're devoted to, you'll reach seven important milestones within the year. You will thrive in a community that assembles around you as you share what you love. There's a method you'll follow to money in the summer. Perfect the system and make it your own. Sagittarius and Capricorn adore you. Your lucky numbers are: 5, 40, 1, 33 and 19.

SATURDAY, APRIL 10, 2021 Preparing for Launch

Know where you are, determine where you want to be, and then solve for the difference. Tomorrow's new

moon in Aries lends beginner's luck to anyone who's 'going places. ARIES (March 21-April 19). You'll help someone and it helps you twice as much. Giving your love brings a similar outcome. If your aim is selfless service, then you're out of luck. Every generous act will enrich and

benefit vou! TAURUS (April 20-May 20). There are no perfect pairings, but there are more or less compatible people. You're in luck. Life will show you who fits into which category. You're in the mood for a smooth ride

and that's what you'll get. GEMINI (May 21-June 21). Some things are worth doing even though they might be difficult, and some things are worth doing because they're sure to be

difficult. No one ever got strong lifting feathers. CANCER (June 22-July 22). An ambitious mood strikes. Ambition requires you to take risks, and risks come with fear, and fear feeds into thrills, which can be addictive. This is only the start of the excitement.

LEO (July 23-Aug. 22). When your gift doesn't make the impression you wanted it to, this is nothing to take personally. People receive when they are ready to receive. Let time do its part. Anyway, you're richer VIRGO (Aug. 23-Sept. 22). Your smile creates

community wherever it goes. Your smile says, "this is a good place to be" and it also says, "I'm glad to be here with you." Your smile makes others share that LIBRA (Sept. 23-Oct. 23). A tangent will turn into

Navigating is a lot easier when you know where you a main focus, mainly because you keep getting attention, money and props for it. This is actually starting to feel like a calling, if not an obsession.

SCORPIO (Oct. 24-Nov. 21). Good questions get direct answers. Write and rewrite your question until it rings with truth and then ask your heart for answers and write down what it says. Move your hand across the page unthinkingly; the words will come.

SAGITTARIUS (Nov. 22-Dec. 21). You say "thank you" in many ways that do not involve those actual words. Your enjoyment, the time you spend lingering with a person or an idea and your willingness to help are all expressions of gratitude heard loud and clear.

CAPRICORN (Dec. 22-Jan. 19). You'll dance with a deal - not because the deal asked you to dance but because you were already on the dance floor together. Keep dancing and see what else comes. There's soon AQUARIUS (Jan. 20-Feb. 18). Don't let the ideal in

your head block the reality in front of your nose. There is something very useful close at hand. You can do amazing thing with this scene exactly the way it is. PISCES (Feb. 19-March 20). Do you have the feeling

there's someone out there waiting for someone like you to show up? Well, that's certainly the case, and the more outreach you do, the faster the match can get made. TODAY'S BIRTHDAY (April 10). You don't feel

courageous, but you are. At first you get things done regardless of whether you believe you can or not. Then you start a streak. The more wins you rack up, the more confidence you gain. You'll go public with your idea and glow in the spotlight. Summer brings magical connections and a financial lift, too. Sagittarius and Gemini adore you. Your lucky numbers are: 14, 3, 33, 8 and 40.
