The economical WORKMASTER™ 25S sub-compact tractor is maneuverable, easy to operate and gives you the rugged power to load, mow, dig, grade and more. With the power of a 25-hp, 3-cylinder engine, 3-point hitch, rear PTO and mid PTO as standard equipment, it handles chores a garden tractor just can't.

- Simple two-pedal operation and standard push-button cruise control
- Deluxe comfort, high-back seat with armrests and automotive-style instrument panel
- Traction when you need it from standard 4WD and rear differential lock
