IN BRIEF

Ben Lonergan/East Oregonian

A police officer peers inside of a train while searching for a subject who allegedly attempted to jump aboard the Union Pacific train near Southeast Frazer Avenue and Southeast 10th Street in Pendleton on Tuesday, May 4, 2021.

Man flees police, fails to hop train

PENDLETON — Police are searching for a man who reportedly attempted to jump on a train while fleeing police after an incident in downtown Pendleton on Tuesday, May 4, according to Pendleton Police Chief Charles Byram.

Police first responded to a report of a disturbance near Community Bank shortly before 2 p.m. The report said two men were fighting and one had a machete, according to Byram.

Police later found a man riding his bike matching the description from the report of a man dressed in all black. Police attempted to stop the man, but he fled, and police lost him while in pursuit, Byram said.

Later, police received a call from Union Pacific Railroad that a man was trying to hop on a train moving through Pendleton but fell off, prompting the train to stop. The man then ran away, leaving his bike and cellphone, which police found after arriving on scene, Byram said.

The bike matched what the man had been riding earlier that day, Byram said, adding police are continuing to search for the man.

He added that the police are confident they know who the man is, but declined to provide specifics because the case is an active investigation.

Danner Farms announces bicycle giveaway

MILTON-FREEWATER — Local children, families and adults can ride away with a free bicycle during the annual Danner Farms giveaway event in Milton-Freewater.

The 80 used bikes were donated to the mentoring project and reconditioned by volunteers. Jim Goodenough of Danner Farms expressed special thanks to the Milton-Freewater Elks for their generosity in helping to provide volunteers, repair parts, helmets, licenses and various bike accessories for the event.

The bicycles will be available Saturday, May 15, from 8 a.m. to noon at Gordy Plastics, 1530 S. Main St., Milton-Freewater. Those wanting to pick up a bike must preregister by 5 p.m. Wednesday, May 12. An adult must call and register for a pick up time — only 20 people will be assigned for each hour time slot — which are available on a first-come basis.

During their designated time, people can choose from the bikes remaining. Children must be accompanied by a parent or legal guardian. COVID-19 protocols will be observed with people being required to wear a face mask and maintain social distancing between non-family members.

For more information or to register for a bicycle, call Danner Farms at 541-861-3029. For more about the organization, visit www.dannerfarms.org.

Fire in Irrigon RV park destroys RV, displacing resident

IRRIGON — A fire destroyed one recreational

vehicle and damaged another at Green Acres RV Park in Irrigon early Tuesday, May 4, according to Boardman Fire Chief Mike Hughes.

The fire nearly spread to other nearby RVs, according to Hughes, but was held up by four residents with water hoses.

Boardman firefighters received a report of the fire at 4:17 a.m., arriving at the scene along with firefighters from the Irrigon Rural Fire Protection District a few minutes later.

By the time officials arrived, the RV was engulfed in flames. Meanwhile, four residents were spraying the adjacent RVs with water hoses to prevent the flames from spreading to the adjacent trailers.

Hughes said he was “super happy” that the residents responded how they did.

“Obviously, it made our jobs a little easier,” he said. “We don’t always encourage civilians to take that action because they’re putting themselves at risk. But they were doing what they had to do.”

Firefighters brought the blaze under control by 4:32 a.m. The flames destroyed the RV and all the belongings of one park resident, who is now displaced. The Red Cross is assisting the man in finding shelter, Hughes said.

Damages are estimated at \$2,000, Hughes said, and no injuries were reported.

Officials have yet to determine the exact cause of the fire, Hughes said. One of the neighboring RVs suffered “minor damage,” Hughes said.
