**OBITUARIES**

**Robert G. Miller**

**Florence, Oregon**  
**March 8, 1932 — March 5, 2021**

Robert "Bob" Benton Miller Jr., of Florence, Oregon, passed away on March 5, 2021, just three days short of his 89th birthday. His beloved wife, Sally Ann (Richards) Miller, also passed away earlier that day, both due to unrelated long-term health issues. Robert's beloved wife, Jacqueline "Jackie" O'Harra Miller of Pendleton, had preceded him in death in Sept. of 1999.

Miller

Robert was born in Covina, California, where he graduated from Bonita Union High School in 1949. He earned an AA degree from Mt. San Antonio College in Pomona, California, in 1951, and earned BS degrees in forestry management and in wildlife management in 1954 from Oregon State University in Corvallis, Oregon. He was a member and president (1953-54) of Xi Sigma Pi Forestry Honorary Society, OSU Chapter.

It was at OSU that he met and proposed to Jackie. Together, Bob and Jackie would raise four strong loving sons, and were blessed with four beautiful grandchildren.

Robert's career with the United States Forest Service began in the Deschutes and Gifford Pinchot national forests before he was drafted into the U.S. Army Corps of Engineers in 1954. After leaving the Army and returning to the USFS in 1956, he worked in the Oregon and Washington areas (Mt. Adams, Packwood, Wallowa-Whitman National Forest) until

his transfer to Washington, D.C., in 1974 to join the Lands Staff Unit.

After his retirement from the USFS in 1987, Robert and Jackie returned to Oregon, making their home in North Bend, where they were active members and officers of the Coos Bay Power Squadron and the Southern Oregon Dahlia Society. After Jackie's passing, Robert found companionship and love with Sally, a fellow Power Squad-

ron member who had also recently lost a spouse. Bob and Sally were married in 2007, and moved to Florence, Oregon, spending their final years and days together.

Robert is survived by his sons Timothy R. Miller (Carolyn), Daniel Miller (Kathleen), Andrew Miller (Marcile) and Joseph Miller (Tama); his grandchildren Timothy L. Miller, Natalie Miller, Jessica Glossner (Jon) and Nicole Miller; his great-grandchildren Daniel (Miller) Glossner and Jacqueline Glossner; his brother John Miller (Janice), and their children and grandchildren.

He was much beloved by his extended O'Harra family, especially his nieces, whose visits he cherished, as well as Sally's daughters Tammy and Tiffany, and Sally's grandchildren Cyndi Rae, Mark, Brooke, Brody and Maggie.

A short memorial and interment gathering for Robert B. Miller will be held on Aug. 18, 2021, at 10 a.m. at the Weston Cemetery, Weston, Oregon. All are welcome.

**Donald M. Olson**

**Pendleton**

**Oct. 7, 1935 — Aug. 2, 2021**

On Aug. 2, 2021, Donald M. Olson (Don) left this world peacefully in his sleep. He leaves behind his beloved wife of 68 years, Lois, and their four children: Claudia Henningson (Dennis), Paul Olson, Clark Olson (Trisha), and Barbara Hart (Lance), as well as 10 grandchildren and numerous great-grandchildren.

Olson

Don was born in Rolette, North Dakota, on Oct. 7, 1935, to Edward and Bertina (Betty) Olson. He was the youngest of eight siblings and began his life living on a farm outside of town. He excelled in all sports in high school and was the team captain in every sport he participated in. He also was first chair clarinet and his high school dream was to play in a big band.

Ten days after turning 18 he married his high school sweetheart, Lois Barber, and joined the Air Force. His daughter Claudia was born in Mississippi and his son Paul was born in Germany. After leaving the Air Force he enrolled in North Dakota State University (go Bison!), had his son Clark and daughter Barbara, and graduated with a degree in civil engineering.

He was recruited by the U.S. Forest Service and packed up his family and moved to Western Oregon where he worked on the Umpqua National Forest,

living in Canyonville, Tiller, Glide and then Roseburg. In 1969 he, once again, packed up this family and moved to Pendleton, Oregon, where he worked with the Forest Service until his retirement in 1991.

Don loved golf and was a member of the Pendleton Country Club and at one time served as president of PCC. He also loved the Columbia River and was a member of McNary Yacht Club for years, where they eventually bought a boat house. Many, many family reunions were held there and wonderful memories were made. Don loved taking his kids and grandkids out on the boat for a ride. (It always bugged him a little bit, though, that his wife could out-fish him). He and his wife also owned property in Indio, California, where they enjoyed their winters away from the cold. Don also loved history and there wasn't a historical road sign that he didn't pull over and read. And if you needed a Trivial Pursuit partner he was the one you wanted. He always said his brain was full of useless knowledge!

Don is preceded in death by his parents, seven siblings, one granddaughter and numerous other family members.

No funeral will be held at this time. His children will host a celebration of life at McNary Yacht club at a later date.
