EO-11621

U.S. ENVIRONMENTAL PROTECTION AGENCY, REGION 10 SEATTLE, WASHINGTON
NOTICE OF PUBLIC COMMENT PERIOD

The State of Oregon has applied for final authorization to revise its authorized hazardous waste program under the Resource Conservation and Recovery Act (RCRA), as amended. The State's hazardous waste management program initially received final authorization on January 30, 1986 and became effective on January 31, 1986. The State has since received approval for seven additional state program revisions. On October 16, 2020, EPA received Oregon's 8th authorization revision request. The State of Oregon's October 16, 2020 application seeks to revise its federally authorized hazardous waste management program to include nineteen Federal hazardous waste regulations promulgated between October 22, 1998 and April 17, 2015.

The EPA reviewed Oregon's application and has made a tentative determination that the changes identified in Oregon's program revision meet all statutory and regulatory requirements established by RCRA. This action does not impose any additional requirements on the regulated community because the changes Oregon is requesting to be federally authorized are effective State rules.

The public may submit written comments on EPA's proposed action during the public comment period which ends 30 days after the date of the publication of the proposed rule in the **Federal Register**. We expect the **Federal Register notice** to be published on or about October 4, 2021. Comments may be submitted by one of the following methods:

- Online to: www.regulations.gov - Follow the on-line instructions for submitting comments.
- E-mail to: olson.margaret@epa.gov
- Or post-mail to: Margaret Olson, U.S. EPA Region 10 Oregon Operations Office, 805 SW Broadway, Suite 500, Portland, Oregon 97205

You may examine copies of the materials submitted by Oregon online at www.regulations.gov under Docket Number EPA-R10-RCRA-2021-0439. If you require alternate accommodations to view Oregon's program revision application contact: Margaret Olson with EPA Region 10's Oregon Operations Office, e-mail olson.margaret@epa.gov or by phone (503) 326-5874; or Jeannette Acomb at the Oregon Department of Environmental Quality (ODEQ), e-mail jeannette.acomb@deq.state.or.us or by phone (503) 229-6303.

The EPA will respond in the **Federal Register** to comments received on this proposed rule at a later date. This notice is issued under the authority of sections 2002(a), 3006, and 7004(b) of the Solid Waste Disposal Act, as amended, 42 U.S.C. 6912(a), 6926, and 6974(b).
