James C. Pace

October 1, 1957 - December 28, 2021

Jim was born October 1, 1957 and passed on December 28, 2021. He is survived by his wife, Judy Pace, siblings Cindy LeGore, Bob Pace and Larry Pace, many nieces, nephews, cousins and many other relatives.

especially personal and traditional cemetery of the Confederated Tribes of the Umatilla Indian Reservation. If you see Jim's carved head stones, you would see the story of the individual named within the head stone.

Jim was proceeded in death by his son, Kristopher Pace, brother Daniel Pace, mother Genevieve Pace and his father James Pace.

Jim was also a story teller with a knack for holding the listener in his grip. If you were a listener to one of Jim's stories, you are either grinning or shaking your head. Jim will be missed dearly and remembered for many years to come.

Jim was born 100 years late in life. Jim's passion in life was his desire to help the underdog. Jim worked for himself, many of his later years in life, spending many hours drawing, designing and carving head stones for those who asked. Jim did not have a "rock" he did not like. Many of the head stones Jim carved were captured from the wild and brought to life in many cemeteries in Umatilla County,

There is a decal in tribute to Jim's passing at D&G Gifts, which can be placed on most any object. You can give D&G Gifts a call and order your own. There will be plans for a celebration of life later in the spring.

We love you, Jim.

Eric Scott Carlos

December 19, 1966 - December 3, 2021

Eric Scott Carlos of Athena, Oregon, died at his home on December 3, 2021. Eric was born at St. Anthony hospital in Pendleton, Oregon on December 19, 1966 to Sandra Tolleson and Thomas Carlos.

Eric mostly grew up in Eastern Oregon. After high school, Eric joined the military and spent almost 20 years in the United States Army National Guard and Active United States Army. Eric's military career included combat in the Persian Gulf War, becoming a Military Policeman and assisting in disaster relief efforts during Hurricane Katrina. Eric was also based in Frankfurt Germany for a time and spoke often of his fondness for German culture and countryside.

After serving in the active military Eric returned to Eastern Oregon. In addition to his experience as a Military Policeman he was also able to occasionally volunteer with the Umatilla County Sheriff's Office and spent over a decade as a Correctional Officer at Eastern Oregon Correctional Institute and later a brief employment with Two Rivers Correctional Institute. Eric also

spent several years working in Security at Wildhorse Casino & Resort.

A n y o n e who knew Eric knows he loved to dream, had a big heart, loved to laugh and to tell tall tales. Very much like his mother and father, Eric had passions for many things in life including tinkering, firearms, hunting, horses, music, cooking, the outdoors and basically anything that had to do with law enforcement or the military.

Eric no doubt had many more adventures, stories and important moments that may not have been shared here but many of us will carry those memories on and thus he will live on. With that we should find peace and trust that Eric is finally sitting straight in the saddle, he's got his head held up high, keeping his eyes fixed where trail meets sky, is not afraid, and enjoying the ride... and probably listening to Chris LeDoux.

Eric is survived by his daughter, Marissa & son Thomas. There are plans to honor the spreading of his ashes in the spring. There are no plans for a service at this time.
