2021 *COMMERCIAL RECYCLER* of the Year

DOLLAR TREE

At the end of each year the employees of Pendleton Sanitary Service, Inc. (PSSI) nominate several commercial businesses or institutions for the Commercial Recycler of the Year award. The winning recipient is also determined by a vote of PSSI employees. This award is given to a commercial recycler that does an outstanding job in recycling or has made significant improvements in their recycling efforts over the past year.

The employees of Pendleton Sanitary Service voted unanimously and selected the Dollar Tree as Pendleton's Commercial Recycler of the Year for 2021.

The Dollar Tree began recycling cardboard in 2014. Since that time, the Dollar Tree has continued to be a community leader in recycling efforts. In 2021, the Dollar Tree recycled over 36 tons of cardboard! They have also recycled plastic wrap/film in the past and PSSI would encourage them to reinstate as a part of their future recycling plans.

The Dollar Tree has consistently worked with PSSI and does an excellent job of recycling. They maintain consistent good quality material to simplify our process and minimize the amount of waste going to the landfill.

Pendleton Sanitary Service would like to congratulate and thank the Dollar Tree and their employees for their outstanding efforts in recycling!
