Anthony John Villanueva

November 12, 1935 - April 4, 2022

Anthony John Villanueva, 86, of Meridian, Idaho, died Monday, April 4, 2022, in the presence of his beloved wife and children being showered with love.

Anthony, Tony as he was called, was born Nov. 12, 1935, at St. Al's in Boise, Idaho. He was the sole treasured child of Marie Teresa Lopez Villanueva and Jose Villanueva. He spent his youth growing up in Emmett, Idaho, which became his heart. He loved everything about Emmett from his first days to his last.

Tony grew up Basque dancing, playing music for Basque festivals, being an altar boy at the Catholic Church and playing sports every chance he got. He met many dear friends through his school years in Emmett, friends he kept until his dying day. Nothing made him happier than being on the football field, basketball court, baseball diamond or hanging out with buddies at their family-owned President Cafe.

High school is where he began dating the love of his life, Sharon Lee Brubaker, the beautiful cheerleader who became his lifelong partner. Tony and Sharon graduated from Emmett High School in 1954 and became husband and wife on Sept. 10, 1954. That union lasted 67-plus years on this Earth and will continue into eternity. Once the wedding ceremony concluded, Tony had to rush to the College of Idaho to get to football practice.

As a three sport collegiate athlete, he played football, basketball and baseball for The C of I from 1954-1957 having teammates such as Elgin Baylor and RC Owens. When not at practice, at a game, with his lovely wife, or at the Wednesday Night Wonders Naval Reserves which he was in from 1953-1955, he also attended classes. He was not to get a degree from C of I though as one day while visiting family in Emmett, Ken Carberry stopped him to ask him to come teach in Emmett on an emergency certificate as they were in need of teachers. That event changed the course of Tony's future as he found his true calling as a teacher and coach. It became a passion that affected the lives of thousands in a way that is truly immeasurable as Tony was so much more than an educator, coach, mentor or friend to his students, he was their support and fan for life.

Once the emergency certificate ran out in 1963, Tony went to the University of Nevada, Reno to secure his degree in the field of education. By this time, he and Sharon had three children, Tony Jr., Angela, and Teresa. They loaded up their family and moved to Reno where he worked at Harrah's Casino and attended classes to complete his degree which he did in 1964. Tony then moved his family back to Idaho where he taught in Payette and in Boise before landing in Athena, Oregon, in 1966.

This part of Tony and Sharon's life is some of their happiest times. He coached football, basketball and baseball in Athena. They met lifelong friends, they welcomed their fourth child, Michelle, and watched their eldest graduate from high school. Tony taught Spanish in Athena taking students

to Mexico on different occasions, all of which have great stories. He completed his master's degree through Linfield College and took courses at the University of

Mexico. He soon became principal. Tony was inducted into the Coaching Hall of Fame in Oregon for all the success he had as a coach in Athena. Tony and Sharon remained in Athena until 1974 when an opportunity to become superintendent took the family to Moro, Oregon, from 1974-1976.

Tony enjoyed this new challenge but health concerns with Tony and Sharon's parents lead them

back home to Emmett in 1976 after graduating their daughter, Angela. Tony became the vice principal for Emmett High School, wanting to get back to working more directly with kids. He loved the students he worked with and each student knew it. He was affectionately known as Mr. V. He served the Emmett community as vice principal from 1976-1995 seeing his daughters, Teresa and Michelle, along with his first born grandson, Michael, graduate as Huskies just as he had back in 1954. He left his mark on the community of Emmett and Emmett was forever a part of him.

He was able to reconnect with his lifelong friends and be close to his family. Tony went on to serve his community further upon retirement as a city councilman. He also wrote sports' columns for the Messenger Index often stretching the story a bit by weaving his humor and wit through them. Tony "retired" from working, but promptly went to work being the daily influence in the lives of his family. He was involved in every moment. He lived for them and their success.

He and Sharon moved to Meridian in 2010. Tony continued his connections with his friends and made many new ones, he never met anyone that he didn't try to get to know or connect with.

Tony is survived by the absolute love of his life, his wife of 67 years, Sharon. He is further survived by his son, Tony Villanueva, Jr. (Cindy), grandchildren, Tony and Mandi; daughter, Angie DeGrange, grandchildren, Mike, Michelle and Joe; daughter, Teresa Villanueva (Sam), grandchildren, Shawn, Kristin and John; daughter, Michelle Judy (Steve), grandchildren, Taylor, Peyton and Spencer; and 11 great-grandchildren.

Tony was preceded in death by his parents, Jose and Marie, and his uncle, John Lopez.

Tony's celebration of life will take place at the Emmett High School gymnasium on Saturday, April 16 at 2 p.m. with a reception to follow. Please join us in fulfilling Tony's wish and wear your favorite school or sport's team attire. The celebration will be livestreamed on Anthony Villanueva's obituary page on Potterchapel.com. Please donate to the Emmett Public Schools' Foundation at the Emmett School District Office, 119 North Wardell, Emmett, Idaho 83617. We are establishing a scholarship in Tony's name to benefit future Huskie graduates.
