WEDNESDAY, JUNE 22, 2022 Venus Trends Toward Technology

Venus in Gemini is a lucky aspect at the intersection of relationships and technology, though the digital realm can only take love to a certain level.

ARIES (March 21-April 19). Like a video game player creating an avatar, you don't have to play forever with the first character you came up with.

TAURUS (April 20-May 20). If you rise high enough above the situation, you'll notice that even the most permanent-seeming losses and gains are relatively insignificant.

GEMINI (May 21-June 21). Social scientists note the human tendency to attribute special qualities to attractive people whether or not they actually possess said qualities.

CANCER (June 22-July 22). The Taoist philosopher Lao Tzu suggested, "If you want to awaken all of humanity, then awaken all of yourself."

LEO (July 23-Aug. 22). A project without structure and standards can't meet its own purpose.

VIRGO (Aug. 23-Sept. 22). Don't worry too much about normality. When you back up for the wider view, there's a much broader range of "normal" than you would have thought.

LIBRA (Sept. 23-Oct. 23). You feel personally invested in someone else's battle. Perhaps there's an echo of this conflict in your own life.

SCORPIO (Oct. 24-Nov. 21). Maybe kindness alone can't evaporate the evil in the world, but it may stop some of it from developing.

SAGITTARIUS (Nov. 22-Dec. 21). There is much to be done and you'll processing life quickly. You'll work and play with people who have different rhythms.

CAPRICORN (Dec. 22-Jan. 19). Effective communication starts with setting up an environment people feel safe inside.

AQUARIUS (Jan. 20-Feb. 18). The experience at your fingertips is available to you and you alone.

PISCES (Feb. 19-March 20). Sometimes it seems more fun to explore the world with someone by your side.

TODAY'S BIRTHDAY (June 22). You'll mix your education with someone else's resources for results that pay you for years to come.

THURSDAY, JUNE 23, 2022 An Obstinate Lunare Square to Pluto

There's a fine line between an independent spirit and someone who's just being stubborn. The lunar square to Pluto recalls a quote from the 19th-century evangelist Henry Ward Beecher.

ARIES (March 21-April 19). Worry won't do you any good and could in fact wear on your immune system.

TAURUS (April 20-May 20). So few people are patient these days and so many rely on patience from others and would be left behind or run over without it.

GEMINI (May 21-June 21). An idea is likely to roll out in full regalia and seduce you with its glamour.

CANCER (June 22-July 22). Seek the right level. Ask any bird: higher is not always better.

LEO (July 23-Aug. 22). It's natural to be emotional about money, though this approach is not particularly helpful.

VIRGO (Aug. 23-Sept. 22). Lighthearted fun is good for relationships of all kinds, including professional.

LIBRA (Sept. 23-Oct. 23). Some things you believed at age 5 still hold true today.

SCORPIO (Oct. 24-Nov. 21). Look back and investigate where the progress stopped and precisely what stopped it.

SAGITTARIUS (Nov. 22-Dec. 21). While puzzles and mysteries seem fun, troubles and inconveniences don't.

CAPRICORN (Dec. 22-Jan. 19). In new circumstances it may take you a moment to get in step with what's going on around you.

AQUARIUS (Jan. 20-Feb. 18). How could anyone know more than what they've learned?

PISCES (Feb. 19-March 20). You feel suspended between worlds, unable to fully inhabit either.

TODAY'S BIRTHDAY (June 23). Your ability to discover and nurture talent allows you to lift and develop a community.
