About Public Notices

Public notices inform citizens about the activities of government bodies —such as budgets and public hearings, upcoming meetings and elections —so that citizens can make their opinions known before an action is taken or a rule or law is made. They also include information about foreclosures, unclaimed and forfeited property, estate claims and probate notices, summons, and calls for bids.

REQUEST FOR PROPOSAL Electrical Contractor Services

The Hermiston Cemetery District is accepting sealed proposals to provide a comparison of options, and associated costs, for installing a new electrical service at the Hermiston Cemetery. The purpose of the new service is to provide power for an irrigation pump, lights, and outlets in a pump house to be constructed near the A-line canal. This new pump house will service an irrigation system for the cemetery expansion. An additional electrical access point will be stubbed in along the underground conduit run. Proposal specifications are available for download from the Hermiston Cemetery website at <http://hermistoncemetery.org/notices.html>. Responses to this Request for Proposal shall be submitted to the Hermiston Cemetery District, in care of Burns Mortuary, 685 W Hermiston Ave, Hermiston, OR 97838, no later than 12 PM, August 3, 2022. LATE PROPOSALS WILL NOT BE ACCEPTED. The District reserves the right to accept or reject any proposal as it best serves its convenience and/or is found to be in the best interest of the District.
