## HOROSCOPES BY HOLIDAY MATHIS

WEDNESDAY, AUGUST 10, 2022 Supermoon Countdown

The Aquarius moon pulls a tightrope across the sky from the Leo sun in anticipation of tomorrow's fullness. Those schooled in the various arts of life know that working and playing with tension is the heart of fascination. Don't be afraid of the energy held in things unsaid, the breathless waiting for a kiss or the seconds counting down to the explosion.

ARIES (March 21-April 19). When volunteers are needed, you're in! An act of generosity will connect you with fellow giving hearts. An auspicious relationship will come out of this. Later, you'll look back and realize it was all because you raised your hand.

TAURUS (April 20-May 20). Social plans have been on your mind. You'll finally be motivated to really make it happen. Spending time in the same room with people you enjoy will be key to all kinds of health including emotional, mental and physical GEMINI (May 21-June 21). The perfect response

has often popped to mind after the fact, sometimes hours or even years later. That's why today, when the perfect response falls off the tip of your tongue, right on the beat, it's all the more satisfying. CANCER (June 22-July 22). The goodwill you're building will be there whenever you need it. But even

when you don't need it, you constantly benefit from the good vibes that have become a natural part of your personal atmosphere. LEO (July 23-Aug. 22). Honesty is only the best policy when it is also necessary and kind. The gracious leave much unsaid. You've a talent for focusing

VIRGO (Aug. 23-Sept. 22). Whether it's more sleep, different food or less stress, you'll figure out how raise your energy level so you can move dynamically through the scene. This and more clarity means a greater ability to attract what you want.

the conversation in a way that makes everyone feel

accepted

LIBRA (Sept. 23-Oct. 23). Counterintuitively, displays of pride can signal a lack of self-confidence. The truly confident don't have to show off. You'll feel a quiet satisfaction in an outcome you created and absolutely no drive to post about it on the internet.

SCORPIO (Oct. 24-Nov. 21). There are those who will say that you're asking for too much just because it's more or different from what they would ask for. The only way to know what's possible is to try. Don't let others impose their worldviews on you

SAGITTARIUS (Nov. 22-Dec. 21). Even as you stand

in your truth, yoù are well aware there are many other truths in the same situation. Respecting other people's point of view, you'll be able to see more than those who are stuck in one narrow line of sight. CAPRICORN (Dec. 22-Jan. 19). When it comes to happiness, humans can be poor predictors of what will

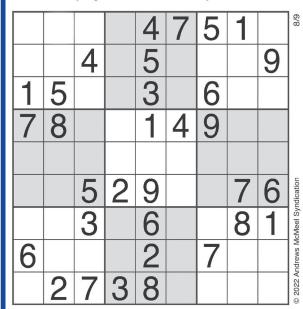

induce the state. Even so, you'll defy the odds and choose so well that your smile will become a more permanent fixture of your face AQUARIUS (Jan. 20-Feb. 18). You can balance a lot, but not everything. What are you willing to cut? Once you

let a thing go, it will return to circulation, and someone else will get it and be very happy for the acquisition. You're acting for the highest good. PISCES (Feb. 19-March 20). You'll be the recipient of

surprising if not uncomfortable generosity. Will accepting put you in their debt? Or is this a gesture to even a score? Find out exactly what expectations are in play.

TODAY'S BIRTHDAY (Aug. 10). Your new solar year opens with the buzz of excitement in your personal life. You'll be a key player in a big event, and you'll be in constant action as you get ready for it. The muses favor you with excellent ideas that you'll sell most persuasively. You're always serving the other person, and yet you get what you want. Scorpio and Libra adore you. Your lucky numbers are: 31, 28, 4, 15 and 19.

THURSDAY, AUGUST 11 Super Red Moon

Moon by those who fished the once-bountiful creature for survival. Farther south, the August full moon is called the Red Moon for the hue it cast through sultry summer skies. This swollen omen marks the fourth and final supermoon in a season of lunar largesse. May your joy be big as the moon. ARIES (March 21-April 19). You don't have to try to

be interesting; someone already finds you fascinating as you react to the normal ups and downs of life. Heightened emotions cause you to do something you would not ordinarily do. TAURUS (April 20-May 20). Too much introspection

is a bad investment of your energy and can thwart your productivity. A lack of objectivity makes it impossible to see your best move. Get feedback. Let other people be GEMINI (May 21-June 21). In many ways you feel

blessed beyond reason, and yet there's something more you want. You may wonder if you have a right to it, but that's not the point. The real question is, are you willing to do what it takes? CANCER (June 22-July 22). Those who know you

trust you to get what's funny about the situation. You'll feel their invisible winks. When you reconvene, you'll discuss deeper layers and laugh over your shared knowledge of the inside story. **LEO (July 23-Aug. 22).** There's a powerful intuition

alive in you, no doubt activated by your intention to defend, support and uplift others. To that end, not everything you're moved to do is entirely logical, and yet it will all serve your worthy purpose. VIRGO (Aug. 23-Sept. 22). A sprinkle of uncertainty

will make life exciting. Too much of it will have the opposite effect, exhausting your vital resources. Pay attention to how you're feeling and when it gets too intense, flee to the safety of familiar comforts.

aren't a naturally patient person, but learning the habits of patience will be the next best thing to actually embodying the virtue. Today this will start with identifying the source of your impatience. SCORPIO (Oct. 24-Nov. 21). You don't dislike people,

it's just that you don't need anyone right now. When you're

alone, you feel deliriously satisfied, able to amuse yourself with very little -- a benefit of your fantastic imagination. SAGITTARIUS (Nov. 22-Dec. 21). You will touch someone's heart with the compliment you offer. There is a chance that the other person's reaction won't show

on their face. Your unexpected kindness will take time to

CAPRICORN (Dec. 22-Jan. 19). You could be the emotional support in a bad situation, but it's far better to put your attention on changing the situation so it's fair and balanced enough to support everyone who is in it. A restructuring is in order.

AQUARIUS (Jan. 20-Feb. 18). You probably don't think you need contributions to launch the project of the day, but giving people a chance to help will also give them a purpose, a reason to bond, and the self-esteem that comes from a giver's high.

PISCES (Feb. 19-March 20). Since there are exciting things going on for you, you cherish, and indeed require, the space to process and recuperate. You'll find peace in humble, quiet scenes and be restored in stillness and solitude

TODAY'S BIRTHDAY (Aug. 11). Location will be a huge factor in business success, and it strongly affects your personal life too. Your cosmic birthday gift is an uncanny sense for finding the right place and time. You'll provide what people need; the more people you serve, the more powerful you become. Finances are lifted giving you new options. Taurus and Gemini adore you. Your lucky numbers are: 7, 8, 12, 35 and 17.
