HOROSCOPES BY HOLIDAY MATHIS SUNDAY, AUGUST 14, 2022 Planets Warn Against Pettiness ዏ亏₨₴₿₽₽₽₽₽₽₽₽₽

The tension of the sun in opposition to Saturn is offset LIBRA (Sept. 23-Oct. 23). The distance between by a lucky trine of Mars and Pluto. It's easier to drop little fights when you are looking at the big picture. So many of the details are matters of preference that do not really affect much in the larger scheme of things. It's a configuration urging us to shun pettiness and strive for compassion.

ARIES (March 21-April 19). To avoid conflict or spare feelings, you may keep some things to yourself. This, you think, is for the good of the relationship. However, if the other person senses you are withholding information, suspicions will work against you.

TAURUS (April 20-May 20). Prioritizing style over substance is a precarious game and might even be a precursor to calamity. To stay on the safe side, check the integrity of things before you invest your money, time or heart in them.

GEMINI (May 21-June 21). If you surrounded yourself with clones, you would have too much of the same strength and be blighted by your collective weakness. Diversity is necessary for success. You'll operate powerfully in a diverse group.

CANCER (June 22-July 22). Does someone seem to be repenting for sins that haven't been committed yet? You'll pause to consider who you're dealing with. Your accurate assessments of human nature will save vou time and trouble.

LEO (July 23-Aug. 22). Because you are so strong, the frail and fragile will be drawn to you. Those with an obvious weakness will have fascinating and useful strengths. You will learn from a relationship of complementary talents.

VIRGO (Aug. 23-Sept. 22). It's a day of tricky problems with simple but not obvious solutions. Try approaching the matter from the opposite direction, inside out or upside down. Alternative views refresh your thinking.

people expands and contracts within a particular range. It's as though you are tethered buoys floating in the sea. The waves will move you together and apart but no farther than the cord allows.

SCORPIO (Oct. 24-Nov. 21). Accept yourself. You're doing your best, and when you get on your own side, you'll do even better. Don't worry too much about the minutiae of your interactions. You give your attention genuinely and wholly, and that's what's felt.

SAGITTARIUS (Nov. 22-Dec. 21). Where you once saw a problem, you'll now see something different -- a challenge or curiosity, an opportunity or a chance to reroute the map. A difference in perspective is all the difference you need.

CAPRICORN (Dec. 22-Jan. 19). You'll have no need to create a show. Your moment to shine will naturally appear over the course of a job. The deeper you dedicate to the work, the brighter you'll be when the attention swings to

AQUARIUS (Jan. 20-Feb. 18). Preferences are highly subjective and personal. The inherent goodness or badness of a thing, if such a value even exists, will have little to do with people's choices. Seek understanding over judgment. PISCES (Feb. 19-March 20). There will be no suitable substitute for being in the same time and place with people. Nothing you can read, watch on a screen or hear in a headphone can even come close to the real-life experience. TODAY'S BIRTHDAY (Aug. 14). Your need for visual and emotional harmony will be served with beautiful environments and upgrades in your daily surroundings. In the professional realm, you'll be paid to understand what baffles the others, and you'll earn a prize acting on that knowledge. More highlights: a family wedding and a surprising peace offering. Aries and Sagittarius adore you. Your lucky numbers are: 10, 4, 44, 18 and 15.

HOROSCOPES BY HOLIDAY MATHIS MONDAY, AUGUST 15, 2022 Earthy Mercury Trine

No one, not even the most charismatic person on LIBRA (Sept. 23-Oct. 23). Your happiness comes

the planet, can always be the superstar energy every single endeavor. When the energy is hard to drum up, at least make sure you're bringing the kindness. Character counts more than personality any day of the week, and you'll be especially keen to look for it under the earthy Mercury trine.

ARIES (March 21-April 19). You treat everyone differently because everyone is, in fact, different. You have an amazing ability to communicate with each person in the way they are most likely to understand and eniov

TAURUS (April 20-May 20). When someone impresses you, you'll let them know in subtle and not so subtle ways. They feel they've finally been seen. You feel you're getting to know someone truly unique. Special connections get made.

GEMINI (May 21-June 21). It feels good to be helpful, and there will be no shortage of takers for your kind of assistance. As you focus on the needs of others, you just may find that you're creating a niche for yourself. Eventually, you'll be known and paid for this. CANCER (June 22-July 22). You'll have efficient conversations with those you know very well, skipping formalities and getting right to the point. There's comfort in sharing a connection that people outside the relationship couldn't possibly understand.

LEO (July 23-Aug. 22). You're working on the kind of endeavor that will never be fully finished. Deciding when to move on from the project will be a matter of compromise. You'll push it as far as the time period allows and then let it go to have a life of its own.

VIRGO (Aug. 23-Sept. 22). It will be most satisfying to imply a thing and see who picks up what you're throwing down. This kind of connection is a signal that you share a reality and a sensibility. You see each other and bond in commonality.

from celebrating good sensations -- warm skin, muscles moving, the body alive. In your moments of gratitude, everything else feels like a bonus atop the tremendous gift of being alive.

SCORPIO (Oct. 24-Nov. 21). Attraction has its own logic, which it keeps close to the vest and refuses to share. You're better off accepting your attraction as a given and then moving on to the business of how to best use or manage it.

SAGITTARIUS (Nov. 22-Dec. 21). Your appetite for knowledge is mighty, and the method that gives you the most now is reading. As Groucho Marx apparently said, "Outside of a dog, books are a man's best friend. Inside of a dog, it's too dark to read.

CAPRICORN (Dec. 22-Jan. 19). In some regard, you feel like you're undertrained, outside of the loop and just getting by on a wing and a prayer. And while it seems like a lonely notion indeed, more people share it than you'd believe. Reach out.

AQUARIUS (Jan. 20-Feb. 18). You were taught to respect your elders, but you learned to respect your youngers on your own. The very young teach with the eyes of innocence. The older ones will lend technological savvy and a fascinating world view.

PISCES (Feb. 19-March 20). Once an algorithm gets involved with you, you'll be served up what the robot thinks you'll like. This works so well for you that sometimes you forget how your tastes and potentials are vaster than any robot could possibly service.

TODAY'S BIRTHDAY (Aug. 15). You're faithful, loyal and constant, and will experience the security of being treated in kind -- plus, zings of excitement keep the adventure flowing. You'll develop a style that works for you, and you'll operate with greater comfort and confidence as you find it. More highlights: a financial win and a stellar endorsement. Libra and Scorpio adore you. Your lucky numbers are: 7, 18, 3, 33 and 48.
