**When symptoms persist,  
there may be more you can do.**

If feelings such as depressed mood or lack of energy are keeping you from the things that matter to you, you may be eligible for this research study. It's evaluating an investigational drug designed to work with antidepressants to see if it can help address unresolved symptoms of depression.

All eligible study participants will receive at no cost:

Consultation with  
study doctor

Study drugs

Study-related care  
and visits
