

COLLEGE CAN BE
HARD TO IMAGINE.
LET'S PRACTICE.

**We believe in
better living through
being Ducks.**

That's why we created SAIL. The Summer Academy to Inspire Learning is based on the belief that higher education isn't a privilege. It's a right. So UO professors volunteer to lead free academic summer camps for qualifying eighth through twelfth-grade students. Get on the path to one of the top public research institutions in the nation.
