WHAT WE LEARNED FROM READING THIS WEEK'S PAPER

VOL. 43, ISSUE 50.

We're paying cops **\$60 an hour** to work overtime when they stand around at protests in riot gear. **7**

We're sharing a "censored" story about how Hillary and the Democrats allegedly screwed Bernie, which was originally published by **Jared Kushner's newspaper**. *The Observer*. **21**

They once stored **dead people** in the lighthouse off the coast near Astoria. **23**

The public lake in the center of Lake Oswego is almost open to the public again. **24**

The whole reason **French people** cook the way they do is because they didn't have any spices. **27**

Damian Lillard forced **Lil Wayne and 2 Chainz** to rap without swearing on his album. **34**

Applebee's is offering **\$1 margs all October** long. **37**
