DATES TO OCTOBER 28.

Atlantic News.

New York, Oct. 21.—The Post's special says the President has not yet made a decision in the case of Wirtz.

Senator Cragin had an interview with the President yesterday; the President reiterated the sentiments expressed in the Stevens' letter.

The following proclamation has been issued by the President:

WHEREAS, It has pleased Almighty God during the year now coming to an end to relieve our beloved land from the ravages of civil war, and to permit and secure the blessing of peace and unity, with a great enlargement of civil liberty, and whereas, our Heavenly Father has also during the year averted from us the horrors of a foreign war, pestilence and famine, while our granaries are full of the fruits of a successful season; and whereas, virtue is exalted while sin is a reproach to any people, now therefore,

I, Andrew Johnson, President of the United States, do hereby recommend to the people thereof the first Thursday of December as a day of National Thanksgiving to the Creator of the universe for these deliverances and blessings: I do further recommend that the whole people make confession of our national sins against His infinite goodness, and with one heart and one mind, implore Divine guidance in ways of national virtue and holiness.

In testimony whereof, I hereunto set my hand, and cause the seal of the United States to be attached. Done in the City of Washington, this 28th day of October, A. D. 1865, and of the independence of the United States the ninetieth.

ANDREW JOHNSON, Pres't of U. S.

Wm. H. SAWARD, Sec'y of State.

New York, Oct. 23.—The Senate of the Fenian Congress reassembled at the Astor House. The chair was occupied by Priest Roberts. The session was strictly private and the attendance confined to members. It is known that the principal business transacted related to the sale of bonds of the future Republic, which will be ready next week. Several members said that they would subscribe for the bonds. The Senate intends to establish their headquarters permanently in a larger hall in a few days.

Toronto, Oct. 27.—The Leader to day has an article advising the Government to take the arms from the vaults lest the Fenians should get them, and to establish patrols on the frontiers, and inaugurate the passport system. A fearful state of alarm exists here.

The jury in the Saunders kidnaping case are still locked up. A raid upon the Canadian banks by the Fenians is expected.

California News.

San Francisco, Oct. 28.—The eastern line is still down. The case of the People vs. Thomas Maguire, charged with threatening to demolish the bones of Ves'vali, has been postponed until next Tuesday, when the complainant will testify before the police court, as to the threats alleged to have been made by Maguire, and the circumstances which called them forth.

An order from headquarters has been issued directing the commanding officer at the Presidio to keep Capt. Hill, now on trial for murder, in close confinement under guard, and holding the commanding officer aforesaid responsible for his safe keeping.

Brevet Brigadier General W. A. French has been appointed commander of Fort Point, to relieve Col. A. L. Anderson. Gen. French is also appointed Inspector of Artillery for forts and batteries in the harbor of San Francisco.

Charles Jan-on, one of the parties injured by the explosion of the Yosemite, has commenced suit in the 15th District Court against the California Steam Navigation Company to recover \$21,025 damages for injuries received and for moneys expended for surgical and medical treatment on account of the explosion of the Yosemite. Plaintiff was thrown into the air and fell through the deck on to the boiler, whereby his right leg was broken, and he was severely scalded. He has expended \$1,025 in consequence, and demands \$20,000 additional damages.

Samuel Bivens and Mary, his wife, recovered a verdict in the 12th District Court yesterday against the Omnibus Railroad Company for \$400 for the forcible expulsion of Mary Bivens from defendant's car on Stockton street in January last. The plaintiffs were colored people. The testimony shows that the conductor offered her the privilege of standing on the platform; but not being satisfied with these accommodations, and insisting on riding inside, she was ejected from the car.

Wm. Mr. Colfax spoke in Virginia, Nevada, a reconstructed Democrat proposed three cheers for "Scowler Poll tax."
