KING CHOLERA.

RESPECTFULLY DEDICATED TO THE CITY FATHERS.

A fearful whisper comes from the East Of a raging monster, gaunt and grim,

And ever westward he holds his way, Marching with slow, insidious tread;

Squalor he loves, and filth and crime; What shall we do to avert his wrath?

Or, will our rulers no danger know Till at our door King Cholera halts,

Take heed of the warning now—take heed While still there is time our home to save!

Cleanse, O Fathers, these gutters and styes, Festering kennels and filthy slums,

PHOTOGRAPHY AS A DRAWING ROOM AMUSEMENT.—The Paris correspondent of the London Morning Star

writes: Dubroni is the name of a young and most promising engineer, a pupil of the Ecole Polytechnique. Laid up for several years with bad health, his mind remained as active as ever.

A GOOD CHARACTER.—A good character is to a young man what a firm foundation is to the artist who proposes to erect a building on it;

EDMUND ABOUT says that fashionable French mothers do not manage to devote on an average 120 minutes a day to their little family.

ALL lawyers may be said to belong to the Fee-nian Brotherhood.

A BOLD GRENADIER.—The father of Frederick the Great, a half-crazy old bear, was famous for crimping all the tall men he could lay his hands upon

A GENTLEMAN FROM KANSAS refused to finish his dinner in a Salt Lake City hotel, because the gentleman across the table was eating his pie with a fork,

WHY are washerwomen the most unreasonable people? Because they expect soft water when it rains hard.

FELONY.—Verdict on an old beau's black mustache—Dyed by his own hand.

NEW YORK state courts have decided that spiritualism is juggling.
