DATES TO NOVEMBER 7.

Atlantic News.

New York, Nov. 1.—The Matamoras correspondence of the *Herald*, dated October 25th, states that the attack on Matamoras commenced the Sunday previous by the Liberals. The fact of their being led upon the town in three lines of battle, led to the belief that they were commanded by American officers, as they had never formed that way before.

Washington, Nov. 3.—The following dispatch from the President to the Governor of Georgia, has been published:

Washington, Oct. 28.—To : Johnson, Provisional Governor of Georgia: The people of Georgia should not hesitate a single moment in repudiating every dollar of debt created to aid the rebellion against the Government of the United States. It will not do to levy and collect taxes from a State and people who are ready to pay debts created to aid in making war and subverting the Constitution of the United States. I don't believe the great mass of the people of Georgia when left uninfluenced, will ever submit to the payment of a debt which was the main cause of bringing on their past and present sufferings. The result of the rebellion is that those who invested capital in this debt must lose it, and take it as one of the inevitable results of rebellion, though it may seem hard to them. The idea should be inculcated at home and abroad that no debt contracted for the purpose of dissolving the Union, can or will be paid by taxes levied on the people for such purposes.

(Signed) **ANDREW JOHNSON.**
New York, Nov. 3.—Dr. Durrant, quarantine Surgeon, reports 10 deaths from cholera, out of fifty or sixty cases on board the Atlanta.

New York, Nov. 6.—The *Herald's* Washington correspondent says that though the members elect to Congress from the South have not been placed on the Clerk's initial roll of representatives, it is regarded as a fact that seats will ultimately be granted to all whose respective States have repudiated the war debt and have adopted the anti-slavery amendment if they can take the test oath of 1862. This announcement is given, semi-officially (?) to the politicians South that they may take due notice thereof, and govern themselves accordingly. It will also be questioned whether the President's pardon does not overrule the test oath, and make the recipient eligible to official position.

New York, Nov. 6.—The *Savannah Herald* of the 1st says: The officials of Savannah declare the city again under civil authority.

Chicago, Nov. 6.—A Toronto, Canada West, correspondent to-day denies the truth of the telegram in regard to the Fenian excitement in Canada. It says there is no excitement there whatever. The feeling is that the Government is able to deal with any Fenian project that may be hatched here or elsewhere.

New York, November 6.—Havana files per *Columbia* have particulars regarding the rebellion in Jamaica.

The City of Kingston is in great excitement. Business is entirely suspended there. Immense meetings, under the order of the Governor have been held. The rebellion raged with great fury in St. Thomas.

New York, Nov. 7.—Returns from a number of towns and cities in the State show a falling off in the Democratic vote as compared with last fall. Gen. F. C. Barlow, Union, is certainly elected Secretary of State by a large majority. The whole State ticket is elected.

New York, Nov. 7, 11:30 p. m.—Nearly complete returns from this city give Slocum, democrat, over 20,000 majority, being a democratic loss of 13,000 compared with the vote of last year. His majority in this city will be about 25,000.

Boston, Nov. 7.—The State election was held to-day. The vote is small; about two-thirds of that of last year. The returns indicate a larger proportional loss to the democrats. The vote of the State will not probably exceed 100,000, of which Bullock will receive from 75,000 to 80,000 and Couch less than 25,000. Gen. Banks is elected to Congress in the Sixth District, to fill a vacancy.

New York, Nov. 7.—Returns from New Jersey almost invariably exhibit Union gains over the vote of last year. There is not much doubt of the election of Marcus L. Ward, (Union) for Governor, over Runyon, (Democrat) by a majority of 3,000 to 5,000. The returns also show a Union gain of Assemblymen.

Baltimore, Nov. 7.—The vote in Baltimore is very light. There was very little opposition. Less than 30,000 were cast. Thomas is elected in the Second District to Congress, to fill a vacancy occasioned by the resignation of Col. Webster.

Chicago, Nov. 7.—Returns from Minnesota indicate the election of Marshall, Union candidate for Governor, by a large majority.

ISAAC SMITH is the Union candidate in Polk county to fill the vacancy caused by the resignation of Capt. Lafollet.
