CHRISTMAS AMUSEMENTS AND FESTIVITIES.—The exhibition on Christmas night at the Sisters' School, was crowded, and the affair was a grand success.

At the Congregational Church, the Christmas Tree called together a large assemblage, and everything passed off most happily.

The Firemen's Ball was the cause of about fifty couples tripping the light fantastic toe until a late hour of the morning.

There was a large amount of sleigh-riding, miscellaneous liquor-drinking and a due proportion of boisterous hilarity.

Taken all together, it was a very Merry Christmas. We would suggest that hereafter the school exhibitions and Christmas Trees have precedence of the lighter amusements, and that holiday balls should take place some evening after Christmas; on the principle that we may dance any night of the holiday week, but the other entertainments are only appropriate on Christmas night.

The school exhibitions, in case of any considerable increase of the population of the city the coming year, should be in more capacious houses, as there is so much interest taken in them, that a much larger attendance would be secured if there was any certainty of sufficient room.

The Democracy of Idaho have captured Gov. Lyon of Calabdale, to judge from the manner in which he is "puffed" by them.

If they only stick to him long enough he will show them that they have drawn an elephant in the political lottery.

COAL oil is quoted at seven dollars per gallon at Boise City.
