

Daily Mountaineer.

WEDNESDAY MORNING, MARCH 14, 1866.

YESTERDAY was quite lively in horse-trading. We noticed a band of some seventy head pass up Union street, brought to this market for sale. Parties below who intend starting for the mines will find in the Dalles an abundance of horses, and at figures much lower than the same animals can be purchased for higher up the Columbia.

SERIOUS ACCIDENT.—A little boy about five years of age, named Bro-back, met with a serious accident yesterday afternoon. He was going to school, and during the recess had been playing with other children near the school house. A wagon coming along, the little fellow tried to get in, and for that purpose got between the wheels of the vehicle. Missing his hold he fell, and the hind wheel of the wagon passed over his leg, breaking it below the knee. He was immediately taken home and the necessary medical attendance procured.

UP COUNTRY NEWS.—From the Walla Walla Statesman of the 9th we take the following: A man named J. Kellog was shot and instantly killed by a man named Herring, on Snake River, on the 1st inst. Several rumors rife as to the cause of the deed.

A man named Eufenselad Roxfoa, was drowned in Mill Creek on Wednesday of last week, under the following circumstances: The water in Mill Creek was very high, and threatened to wash away the rear part of a building at the intersection of Mill Creek and Third street. To prevent this the deceased and three other men attempted to put down some boards that would answer the purpose of a breakwater. Whilst thus engaged the bank caved in and the whole party were precipitated into the water. Three of the men succeeded in making their way out, but the fourth was swept away. At an early hour next day morning the body was found about a half a mile below town; where it brought up against a rail fence that crosses the stream. The night was quite dark at the time of the accident, and to this cause, most likely, is due the fatal result. Deceased was a Spaniard by birth, and a packer by profession.

INTERNAL REVENUE DECISION.—We are requested to publish the following decision of the Commissioner of Internal Revenue, dated Washington, January 3, 1866, for the information of the business men of this city:

From information received at this office, it is apparent that the provisions of the 59th section of the act of June 30, 1864, as amended March 3, 1865, in relation to the purchase and sale of empty casks with the inspection marks thereon, are very often disregarded.

By these provisions of the law a penalty of three hundred dollars is imposed for the purchase or sale of each cask so marked.

The object of the law is to prohibit the traffic. The penalty is severe, and intentionally so. Both parties to the contract of sale are liable. If the vendor permits the empty cask to pass out of his hands without removing the inspection marks thereon, he is liable to the penalty. If the purchaser receives the casks with the inspection marks thereon, he is also subject to the penalty.

If there is a purchase or sale of an empty spirit cask with the inspection marks thereon, the intent is immaterial—or rather, the proof of the offense is conclusive as to the intent.

The special attention of all officers of internal revenue is called to this matter, and they are hereby instructed to cause prosecutions to be commenced for all violations of this provision of the law which may come to their knowledge, and to see that the law is strictly enforced in this behalf.

FROM MONTANA.—We have received the Montana Radiator of February 10th, from which we take the following:

Show at Deer Lodge had nearly all disappeared.

The shock of an earthquake was felt three miles from Helena, so violent as to shake the daubing off the walls and the dirt off the roofs of the cabins.

Chas. Jewett shot a man at Confederate Gulch named Fisher, on the 28th ult. Fisher was alive at last accounts; Jewett escaped to the Gallatin, where it is reported he was hung by the Vigilantes.

A regiment of mounted volunteers is being raised in Helena and Virginia Cities, to go to the rescue of the citizens of Fort Benton, who are kept in constant fear by the savages. Gov. Meagher has appointed Neil Howie to the command of the regiment. Recruiting has been going on quite rapidly in Helena. A large meeting was held to devise means to supply horses for the men, at which Gen. Meagher said that where it not for the meeting of the Legislature he would take the field himself against the hostile tribes.

RESOLUTIONS.—At a meeting of Columbia Lodge, No. 5, I. O. O. F., of Dalles City, the following resolutions were adopted and ordered printed:

WHEREAS, It has pleased the Grand Master of the universe, in his inscrutable providence, to remove from our midst, our well beloved Brother P. G., N. C. Mayhew, late R. W. Deputy Grand Master, of the R. W. Grand Lodge of Oregon; and

WHEREAS, In the death of Brother Mayhew, this Lodge has lost a beloved member, the Grand Lodge, a zealous, efficient officer, our order, a generous, worthy brother, and society an active, useful member. Therefore be it

Resolved, That with hearts chastened with sorrow at the loss, we have thus been called to mourn; but blessed with the assurance that the wound is from the Hand which doeth all things well, we submissively bow to the decree.

Resolved, That when such men pass away, it is the survivors who suffer the irreparable loss; and especially do we as members of a brotherhood, of which he was a wise and faithful counsellor, feel as though each one of us had lost a most endeared friend.

Resolved, That the memory of our beloved brother should be cherished by every brother of this Lodge with the kindest regard, and deepest gratitude for his services in the cause of Odd-Fellowship, and for the energy and zeal which he uniformly exhibited in establishing and carrying forward to a glorious success the great work of humanity and benevolence.

Resolved, That the family and relatives of our deceased brother, although strangers and far distant from us, have our most sincere and heartfelt sympathies, and we would extend these expressions of condolence, in this their sad bereavement, trusting as we do, that he has been gathered into the Grand Lodge above, they can find much to console them in reflecting upon the services he has rendered to his fellow man.

Resolved, That the Warden be instructed to clothe the Lodge room and furniture in mourning, and members of the Lodge wear the usual badge for thirty days.

Resolved, That the Rec. Secretary be instructed to transmit a copy of these resolutions under seal of the Lodge, to the family and relatives of our deceased brother.

J. GOETZ,
Committee.

AN IMPROVEMENT.—The Oregon Steam Navigation Company has in course of erection a fine building at their depot, designed as a store-house for machinery and railroad cars. The building is 100 feet in length by 50 in width, with a height of sixteen feet. It is designed to lay a track through the centre of the building, and on either side is a platform on which to stow machinery. In bad weather, loaded freight cars can be run into the house for protection. This structure is only another evidence of the confidence of this enterprising company in the resources of the region drained by the waters of the Columbia.

FUNERAL NOTICE.—The funeral of MARY JANE DARRAGH will take place TO-DAY, at 1 o'clock, P. M., from the residence of N. H. Gates.

DENTAL NOTICE.—Being about to make a professional tour to the towns and settlements up the Columbia, I respectfully call the attention of those of my patrons who are in need of Dental Operations of any character, to the fact, so that they may have an opportunity to avail themselves of my services before my departure, if so desired. I will leave about the 20th of March, and return to this place to resume my practice, about the 18th of June. [S14f] J. W. GURLEY.
